(415) 345-8049: Fax

Title: Orthopaedic Surgeon

Born: Los Angeles, California, July 10, 1951

Pre-Medical Education: University Of California, Riverside; B.S. Biochemistry, March 1973.

Medical Education: Georgetown University Medical School; May 1977

Internship: Mount Zion Hospital and Medical Center, completed June 1978

Residency In Orthopaedic Surgery: University Of California, San Francisco, July 1978
to June 1982

Board Certification: July 19, 1985

Medical Societies: California Orthopaedic Association, San Francisco Medical Society, Le Roy
C. Abbott Orthopaedic Society, American Academy Of Orthopaedic Surgeons, Western Orthopaedic
Association, Arthroscopy Association Of North America, International Society for Hip Arthroscopy.

License: Radiography And Fluoroscopy. X-Ray Supervisor And Operator.

Presentations:

1. "The Harris Condylcephalic Nail" presented at the Le Roy C. Abbott Orthopaedic Society, San Francisco, June 1980.
2. "The Varciela" presented at the Hand Surgery Grand Rounds, San Francisco, November 1980.
3. "Macroductyly" presented at The Sterling Brunnell Memorial Lectureship, Shriners Hospital, San Francisco, November 1980.
4. "Cervical Spine Disorders in Children" presented at the Verne T. Inman, Shriners Hospital Meeting, San Francisco, May 1981.
5. "Hypotensive Anesthesia for Total Hip Replacement" presented at the Combined University of California Grand Rounds, San Francisco, November 1981 and at the Canadian Orthopaedic Association, Kingston, Ontario, June 1982.
6. "Extra-Articular Surgery of the Hip for Arthritis" presented at Combined University of California Orthopaedic Grand Rounds, San Francisco, March 1982.
7. "Hypotensive Anesthesia for Total Hip Replacement" presented at The Western Orthopaedic Association 46th Annual Meeting, Albuquerque, New Mexico, October 12, 1982.

Presentations: (con't)

8. "The Aging Hip" presented at the Geriatric Conference, Mt. Zion Hospital, San Francisco, December 13, 1983.
9. "Advancement in Hip Prosthesis" presented at The Physical and Occupational Therapy Conference, Mt Zion Hospital, San Francisco January 10, 1984.
10. "Bursitis & Tendonitis" presented at the 35th Annual Course for Physicians in Family Practice, Mt Zion Hospital, San Francisco, March 6, 1985.
11. Anatomy Portion of The San Francisco Orthopaedic Review Course on the Shoulder and Arm, University of California, San Francisco, May 1985.
12. "Joint Replacement - The Great Cure" presented at Institute on Aging, Mt Zion Hospital, May 21, 1987.
13. "Arthroscopy Treatment of Shoulder impingement", By Todd H. Katzman, M.D., James M. Glick, M.D., Thomas G. Sampson, M.D., Robert B. Gordon, M.D., Stanley L. Kampner, M.D., presented at The Twenty Second Annual Scientific Program of The Leroy C. Abbott Orthopaedic Society, May 22, 1987.
14. Instructional Course, "Arthroscopy of the Hip and Ankle", James M. Glick, M.D., Thomas G. Sampson, M.D., Arthroscopy Association Of North America 8th Annual Meeting, Westin Hotel, Seattle, Washington, April 13-16, 1989.
15. "Shoulder Arthroscopy-Getting Started" AANA Annual Meeting Instructional Course, Wesley Nottage, M.D., Richard Hawkins, M.D., Thomas G. Sampson, M.D., Orlando, Florida April 26-29, 1990.
16. "Ankle Arthrodesis" James M. Glick, M.D., Mark S. Myerson, M.D., Craig D. Morgan, M.D., Thomas G. Sampson, M.D., AANA Annual Meeting Orlando Florida, April 26, 1990.
17. "Precision Acromioplasty In Arthroscopic Subacromial Decompression Of The Shoulder" The 25th Annual Le Roy C. Abbott Society Meeting University Of California, San Francisco, May 4, 1990.
18. "Common Orthopaedic Problems In The Elderly" Institute On Aging, Mount Zion Hospital and Medical Center, Geriatric Clinic Seminar, May 9, 1990.
19. "Precision Acromioplasty in Arthroscopic Subacromial Decompression Of The Shoulder" Western Orthopaedic Association Meeting, San Antonio Texas October 14-18, 1990.
20. "Total Knee Replacement In The Elderly", Geriatric Grand Rounds, Mount Zion Hospital and Medical Center, November 27, 1990.
21. "Eight Year Experience In Total Knee Replacement", Northern California Western Orthopaedic Association Meeting, Yosemite, California January 31, 1992.
22. "Arthroscopic Ankle Arthrodesis: Experience with 75 Cases" Presented at the American Academy Of Orthopaedic Surgeons 62nd Annual Meeting, Orlando Florida, February 17, 1995.

Presentations: (con't)

23. "Removal of Tumors In or Around Hip Joint Through Minimal Incisions" presented at The Verne T. Inman Lectureship and The Scientific Program And Visiting Professorship of the Le Roy C. Abbott Orthopaedic Society, University of California, San Francisco, May 7-8, 1998.
24. "Hip Arthroscopy for Degenerative Joint Disease" by Laith Farjo, M.D., Michelle James, M.D., James Glick, M.D., Thomas Sampson, M.D. presented at The Verne T. Inman Lectureship and The Scientific Program And Visiting Professorship of the Le Roy C. Abbott Orthopaedic Society, University of California, San Francisco May 7-8, 1998.
25. Instructional Course #171, "Hip Arthroscopy", 66th Annual Meeting American Academy of Orthopedic Surgeons. J.M. Glick, M.D., G.G. Poehling, M.D., T.G. Sampson, M.D., H.W. Sweeney, M.D., Moderator, J.W.T. Byrd, M.D., Orange County, California, February 4-8, 1999.
26. Instructional Course Lecture. Advanced Techniques and New Horizons in Hip Arthroscopy. AAOS Meeting, Orlando, FA, March 15, 2000.
27. Instructional Course Lecture. "New Horizons and Advanced Techniques in Hip Arthroscopy. AAOS 68th Annual Meeting, February 28 - March 4, 2001. Moscone Convention Center, San Francisco, California.
28. "Modern Total Joint Replacement" Noon Grand Rounds, March 20, 2001. Saint Francis Memorial Hospital, San Francisco, California.
29. "Suprascapular Neuropathy and Shoulder Pain" Noon Grand Rounds, May 1, 2001. Saint Francis Memorial Hospital, San Francisco, California.
30. "The UniSpacer" Alternatives to Total Knee replacement. Lecture given to Nursing Staff of Saint Francis Memorial Hospital September 10, 2002.

Courses - Faculty

1. Laboratory Instructor: AAOS Instruction Course in Advanced Arthroscopy, San Francisco, June 2-5, 1982.
2. Laboratory Instructor: AAOS Summer Institute Course on Arthroscopy of the knee, Monterey, California, September 23-24, 1982.
3. Program Director: UCSF Workshop on Anatomic Knee Replacement, San Francisco, California, July 8-9, 1983.
4. Program Director & Instructor: Med Ed Workshop on total Joint Replacement, Santa Rosa, California, November 5, 1983.
5. Laboratory Instructor: Total Knee-Hip Arthroplasty, Vail, Colorado, January 15-20, 1984.
6. Faculty: Total Hip Arthroplasty-The PCA System, Reno, Nevada, July 14, 1984.
7. Instructor: Howmedica PCA Knee and Hip Workshop, Dallas, Texas, November 30, 1984 - December 1, 1984.

Courses-Faculty: (con't)

8. Program Director & Instructor: Med-Ed Workshop, Orthopaedic Treatment and Traction, San Jose Hospital, April 4, 1986.
9. Co-Chairman at the 36th Annual Course for Physicians in Family Practice, Controversies in Total Joint Surgery, Mt. Zion Hospital and Medical Center, March 12, 1986.
10. Member of Advisory Board for Autology Centers, San Francisco and Sunnyvale 1987.
11. Co-Chairman for the 37th Annual Course for Physicians in Family Practice, How to Inject Joints, Mt Zion Hospital and Medical Center, April 28, 1988.
12. Orthopaedic Review Course, Total Joint, Clarion Hotel, San Francisco, California, March 1, 1988.
13. Co-Chairman for the 38th Annual Course for Physicians in Family Practice, Foot Pain in the Runner. Mt Zion Hospital and Medical Center, April 28, 1988.
14. Innovations in Ankle Arthroscopy, Hyatt on Union Square, San Francisco, California, January 21, 1989.
15. Co-Chairman for the 39th Annual Course for Physicians in Family Practice, Injuries In The Weekend Athlete, Mount Zion Hospital and Medical Center, April 12, 1989.
16. Instructor: Anatomy of the Shoulder, Course at University Of California, San Francisco, May 20-21 1989.
17. State-Of-The-Art in Hip and Knee Replacement: Issues in Fit and Longevity, Osteonics, Breckenridge, Colorado, Beaver Run Resort, March 12-15 1990.
18. State-Of-The-Art in Hip and Knee Replacements: Issues in Fit and Longevity, Breckenridge Colorado, Beaver Resort, February 11-14 1991.
19. "Shoulder Arthroscopy - Principles and Practical Techniques in the Glenohumeral Joint & Subacromial Space" Arthroscopy Association of North America Meeting, San Diego, California, April 24-27 1991.
20. The Silvirado Hip and Knee, Three Follow-Up; OMNI- FIT Total Knee System, Summit, Napa, California, May 10-11, 1991.
21. Arthroscopic Shoulder Surgical Techniques and Endoscopic Carpal Tunnel Release - Cadaver Surgical Workshop, Saddleback Memorial Medical Center, University of California, Irvine, May 31-June 2, 1991.
22. Arthroscopy Association Of North America, Shoulder Arthroscopy Work Shop, Marriott's Desert Springs Resort, Palm Desert, California November 22-24, 1991.
23. Saddleback Memorial Medical Center, Refinements In Shoulder Arthroscopy, Total Shoulder Arthroplasty, Hands-On Cadaver Surgical Workshop, Dana Point Resort, California January 17-18, 1992.
24. Surgical Technique, Subacromial Decompression. Lab Instructor, shoulder arthroscopy lab, Ninth Annual San Diego Meeting, Hyatt Regency, La Jolla, California, June 25-27, 1992.

Courses-Faculty: (con't)

25. AANA 11th Annual Course, Shoulder Laboratory Coordinator. Monterey, California, November 19-22, 1992.
26. Brown Bag Lecture Series "Video Production and Medicine" University of San Francisco, California, February 10, 1993.
27. Bioskills Presentation on the Series 7000 Osteonics Knee, International Training Meeting, San Francisco, February 17, 1993.
28. Coordinating Chairman, American Academy Of Orthopedic Surgeons, Nursing and Allied Health Program, 60th Annual Meeting, San Francisco, February 18-20, 1993.
29. Industrial Claims Association Meeting, Cumulative Trauma Class, San Francisco, March 11, 1993.
30. Arthroscopic Shoulder Surgery, Mitek Stabilization, Shoulder Laboratory Instructor, Surf and Sand Hotel, Laguna Beach, California, March 19-20, 1993.
31. San Francisco SurgiCenter, Quarterly Orthopedic Dinner Meeting. "The Safety and Efficiency of Outpatient Anterior Cruciate Ligament Reconstruction", March 30, 1993.
32. 2nd Annual, Current Issues Of Magnetic Resonance Imaging In Orthopedics And Sports Medicine. "The Biceps Labral Complex SLAP Lesions" Sheraton Palace Hotel, San Francisco September 8-11-1993.
33. Arthroscopy Association of North America, "The Shoulder: Arthroscopic Evaluation and Treatment. Fall Course Albuquerque New Mexico, October 7-9, 1993.
34. AAOS Review and Update for Practicing Orthopedic Surgeons. "Elbow and Forearm Problems and Reconstruction" Sheraton Palace Hotel, San Francisco, December 3-5 1993.
35. AAOS 61st Annual Meeting Instruction Course. Current Concepts in Orthopedic Imaging: Knee and shoulder. Cost effectiveness of orthopedic imaging modalities. Discussion of possible diagnosis algorithms. New Orleans, Louisiana, February 24 through March 1, 1994.
36. 3rd Annual Current Issues of Magnetic Resonance Imaging in Orthopedics and Sports Medicine Conference. Instructor for the shoulder dissection workshop. Sheraton Palace Hotel, San Francisco, September 21-24, 1994.
37. 4th Annual Current Issues of Magnetic Resonance Imaging in Orthopaedics & Sports Medicine, Shoulder Laboratory Instructor, Ritz Carlton, San Francisco, California, September 6-9, 1995.
38. Shoulder Laboratory Instructor. AANA Fall Course, San Antonio, Texas, December 7-10, 1991.
39. "Arthroscopic Treatment of Rotator Cuff Injuries and Disease" UCSF Musculoskeletal Magnetic Resonance Imaging, Mark Hopkins Inter-Continental Hotel, San Francisco, January 22-25, 1996.
40. 5th Annual, Current Issues of Magnetic Resonance Imaging in orthopedics and Sports Medicine, Shoulder Laboratory Instructor, The Ritz Carlton, San Francisco, California, September 4-7, 1996.
41. "Office Based Orthopaedics for the Primary Care Physician". University Of California San Francisco. October 17-19, 1996.

Courses-Faculty: (con't)

42. "When To Do An Arthroscopic Rotator Cuff Repair" AANA Fall Course, November 21-24, 1996. Palm Desert, California
43. AAOS 64th Annual Meeting, Nursing and Allied Health Committee Member Meeting, February 12-17, 1997, San Francisco Hilton Hotel.
44. "Surgical Correlation Of Shoulder MRI" University Of California, San Francisco, Second International Symposium On Musculoskeletal Magnetic Resonance Imaging, June 1-5, 1997 Fairmont Hotel, San Francisco.
45. AANA "The Masters Experience" General Shoulder Course, O.L.C., Rosemont, Illinois, July 25-17, 1997.
46. Education Design, Inc. Clinical Economic Strategies in Hip & Knee Replacement Meeting. "Conversion of UKA to TKA." Monterey, California, October 24-15, 1997.
47. "Hip Arthroscopy Indications and Procedure" Western Orthopaedic Association Annual Scientific Conference, Santa Cruz, California, April 24-26, 1998.
48. "Advanced Subacromial Techniques" AANA 17th Annual Meeting, Orlando World Center Marriott, Orlando, Florida April 30-May 3, 1998.
49. Lab Instructor at the 7th Annual - Current Issues of Magnetic Resonance Imaging in Orthopaedics and Sports Medicine, San Francisco, California, September 9-12, 1998.
50. Panelist at Total Joint Symposium, UCSF Department of Orthopedic Surgery, April 3, 1999.
51. Scientific Session: Shoulder IV Moderator: Arthroscopy Association of North America, 18th Annual Meeting, Vancouver Trade and Convention Center, Vancouver BC, Canada, April 15-18, 1999.
52. Panelist at Daughters of Charity National Health System Meeting, Beyond The Cutting Edge, Loss Prevention In the Perioperative Environment, II. Wyndham Emerald Plaza Hotel, San Diego, Ca. August 26-28, 1999.
53. Lab Instructor, Knee and Ankle Surgical Dissection Laboratory, 8th Annual Current Issues in Magnetic Resonance of Orthopaedics and Sports Medicine. Ritz Carlton Hotel, San Francisco, California, August 29-, September 1, 1999.
54. Lab Instructor, Oratec Cadaver Lab, HealthSouth Surgery Center, San Francisco, California, November 11, 1999.
55. Lab Instructor, Shoulder Arthroscopy Workshop. AANA Fall Course, San Diego Convention Center, San Diego, California, November 18-21, 1999.
56. Hip Arthroscopy: Surgical Technique" Hyatt Islandia Hotel, San Diego, California, April 13, 2000.
57. "Hip Arthroscopy" Grand Rounds, Saint Francis Memorial Hospital. April 25, 2000.
58. Lab Instructor, Shoulder Surgical Dissection. 9th Annual, Current Issues of Magnetic Resonance Imaging in Orthopedics and Sports Medicine. August 23 - August 26, 2000. Grand Hyatt, San Francisco, California

Courses-Faculty: (con't)

59. Lectures given on: 1. Hip Arthroscopy; 2 Shoulder Arthroscopy; 3. Suprascapular nerve entrapment. Update in Orthopaedics 2000. Kaiser Permanente Foundation Hospital, Honolulu, Hawaii. July 23-28, 2000.
60. Lectures given on: 1. Subacromial Decompression and Cutting Block Technique. 2. Arthroscopic Treatment of Shoulder Instability. 3. Posterior Instability. 4 Diagnosis and Treatment of Multi-directional Instability. 5. Treatment of Suprascapular Nerve Entrapment. Arturo Gutierrez Menses, Mexican Orthopaedic
61. Lectures given on: 1. Posterior Instability: Arthroscopic Technique. 2. Arthroscopic Suprascapular Nerve Decompression, A New Technique. Shoulder Surgery Controversies. Saddleback Memorial Medical Center, Laguna Hills, California, October 6-8, 2000.
62. "Endoscopic Suprascapular Nerve Decompression" San Diego Shoulder, 18th Annual Meeting. Hyatt Regency, La Jolla, California, June 20-12, 2001.
63. Lab Instructor at the 10th Annual Current Issues of Magnetic Resonance Imaging in Orthopaedics and Sports Medicine, Grand Hyatt, San Francisco, California, August 26-29, 2001.
64. "Advanced Arthroscopy of the Hip" Fall AANA Meeting, San Antonio, Texas, November 29 – December 1, 2001.
65. "Advanced Arthroscopy of the Hip" instruction Course, Number 402. AAOS 69th Annual Meeting. Dallas Texas, February 13-17, 2002.
66. Coordinator of Instructional Course Lecture on Hip Arthroscopy 2002: Indications, Techniques, Instrumentation and Complications. AANA 21st Annual Meeting, April 25-28, 2002, Washington, DC.
67. Professor at the "Symposium" S.14. Lectures on Portals Anatomy. Advanced Techniques In Hip Arthroscopy. Complications In Hip Arthroscopy. Hip Arthroscopy –Stryker-. XXVI National Orthopedic Congress, Orthopedic Society Of Mexico, World Trade Center Mexico City, Mexico April 30, 2002 – May 5, 2002.
68. Masters Instructor, AANA Hip Arthroscopy. Chicago Learning Center. May 17-19, 2002.
69. "Diagnosis and Surgical Treatment of Impingement", "Orthopaedic Diagnosis and Treatment of Hip Disorders" Instructor for the Shoulder Dissection Laboratory. The 11th Annual Current Issues of Magnetic Resonance Imaging in Orthopaedics and Sports Medicine. Grand Hyatt San Francisco, California, August 25-28th, 2002.
70. "Chronic Hip Pain" California Orthopaedic Association Course on The Use and Abuse of Worker's Compensation in the Lower Extremity. Manhattan Beach Marriott, October 2, 2002.
71. "Arthroscopic and Open Suprascapular Nerve Decompression Technique and Results. Shoulder Controversies 2002. Saddleback Memorial Medical Center, Laguna Hills, California. October 4-6, 2002.
72. "Subacromial Decompression-Always With Cuff Repair, Clinical Results. Shoulder Controversies 2002. Saddleback Memorial Medical Center, Laguna Hills, California. October 4-6, 2002.

Courses-Faculty: (con't)

73. "Chronic Hip Pain" California Orthopaedic Association Course on The Use and Abuse of Worker's Compensation in the Lower Extremity. Samuel Merritt College, Oakland, California. October 23, 2002.
74. "Hot Issues in Total Knee Replacement, Cemented versus Cementless" TVC Summit, November 2, 2002, Joint Care Centers of America, Don Cesar Beach Resort, St Pete Beach, Florida November 1-2, 2002.
75. Course Moderator at The Saint Francis Memorial Hospital QME recertification course. "The Treatment of Pain & Musculoskeletal Issues in the Injured Worker". February 1, 2003.
76. "Treatment of Chronic Hip Pain & Shoulder Pain". Saint Francis Memorial Hospital QME recertification course, February 1, 2003.
77. "Advanced Techniques in Hip Arthroscopy", Instructional Course, American Academy of Orthopaedic Surgeons, Annual Meeting, New Orleans, Louisiana, February 5-9, 2003.
78. "New Minimally Invasive Surgical Procedure for Arthritis May Delay Knee Replacement Surgery". HealthSouth Surgery Center, March 20, 2003.
79. "Arthroscopy of Hip Femoral Acetabular Impingement", "Complete Removal of Synovial Chondromatosis", Northern California Orthopaedic Association, 71st Annual Scientific Conference. PlumJack Squaw Valley Inn, Olympic Valley, California, April 11-13, 2003.
80. "Uni-Spacer in Knee Arthroplasty" Northern California Orthopaedic Association, 71st Annual Scientific Conference. PlumJack Squaw Valley Inn, Olympic Valley, Ca. April 11-13, 2003.
81. "Hip Arthritis in the Young Adult: Advances, Issues and Pain Management. California Orthopedic Association Annual Meeting/QME Course. Grand Hyatt San Francisco, California. May 2-3, 2003.
82. "Orthopaedic Injuries and Pain Management" Knee Injuries with case presentation. California Orthopedic Association Annual Meeting/QME Course. Grand Hyatt, San Francisco, California. May 2-3, 2003.
83. "Hip Impingement: A New Condition" AASP Annual Meeting/Scientific Program. Colorado Springs, July 25-27, 2003.
84. "Orthopaedic Hip Disorders" (Current Concepts of Femoral Acetabular Impingement) Hip Dissection and Arthroscopy. 12th Annual Current Issues of Magnetic Resonance Imaging in Orthopaedics and Sports Medicine. The Ritz-Carlton, San Francisco, California. August 24-27, 2003.
85. "The Unispacer". 6th Alternative Bearing Surfaces In Total Joint Replacement. St. Francis Hotel, September 16, 2003.
86. "Femoral Acetabular Impingement as a Cause of Hip Arthritis" Grand Rounds Saint Francis Memorial Hospital, October 21, 2003.
87. "Master Surgeon Instructor" for The Masters Experience in Arthroscopy of the Hip. 1. Lab Demonstration – Arthroscopic Treatment of a Snapping Hip. 2. Arthroscopic Management of Impingement. AANA Masters Experience: Hip Arthroscopy Orthopaedic Learning Center, Rosemont, Illinois, February 13-15, 2004.

Courses-Faculty: (con't)

88. Instructional Course, Hip Arthroscopy. Topic: Advanced Technique in Hip Arthroscopy – Synovial Chondromatosis, Femoral Acetabular Impingement and Iliopsoas Release. American Academy of Orthopaedic Surgeons 2004 Annual Meeting, Moscone Center, San Francisco, California. March 10-14, 2004.
89. Lecture on Hip Arthroscopy for Femoral Acetabular Impingement Syndrome. Wilson-Bost Interurban Orthopedic Club Meeting, San Francisco, California. April 16-17, 2004
90. Lab Instructor, San Diego Shoulder Course, July 7-10, 2004.
91. Master Surgeon at the Hip Arthroscopy Surgical Skills Course, Arthroscopy Association of North America Meeting, Chicago, Illinois, July 30 - August 1, 2004.
92. Lecture given on Arthroscopic Management of Hip Impingement, Arthroscopy Association of North America Meeting, Chicago Illinois, July 30 - August 1, 2004.
93. “Morphology as it effects Pathology from Developmental Dysplasia to Femoro-acetabular Impingement, Current Concepts”, 13th Annual Current Issues of Magnetic Resonance Imaging in Orthopaedics and Sports Medicine. August 22-25, 2004.
94. “Hip Anatomy, Biomechanics and Physiology”, “Morphology as it Effects Pathology of the Hip, Developmental Dysplasia to Femoro-acetabular Impingement”. Lectures given at the Ola Grimsby Institute Meeting in San Francisco, California, August 29, 2004.
95. Visiting Professor, 2nd Annual Hip Arthroscopy Symposium. Chungnam National University Hospital, South Korea. Performed live hip arthroscopy. Lectures on Clinical Application of Hip Arthroscopy. Complications, Advanced Techniques in Hip Arthroscopy. Impingement Pain of the Hip. December 2-5, 2004.
96. Panelist at the 2005 QME Re-Certification Course at Saint Francis Memorial Hospital, February 6, 2005.
97. Moderator of Instructional Course on Hip Arthroscopy. Lectured on Hip Arthroscopy by the Lateral Approach. Annual American Academy of Orthopedic Surgeons Meeting, Washington, DC, February 23, 2005.
98. Speaker at the “II International Hip Arthroscopy Course” as a speaker with the following themes: “Difficult Cases and the Snapping Hip” “Arthroscopy in Femoro-acetabular Impingement” Arthroscopic Anatomy-Intra and Extra-articular: Pathologic Hip. “Positioning and Distraction: Lateral”. “Results and Complications Of The Hip Arthroscopy in Femoro-acetabular impingement”. At the Instituto De Ensino Pesquisa, Hospital Sirio Libanes, Sao Paulo, Brazil. March 17-19, 2005.
99. Current Topics in Joint Replacement. Symposium and Panel Discussion at The 50th Annual Visiting Professorship of Leroy C. Abbott Orthopaedic Society and The 26th Annual Verne T. Inman Lectureship, The University Club, San Francisco May 5-6, 2005.
100. Evaluation and Arthroscopic Treatment of Femoro-acetabular Impingement, 24th Annual Meeting Arthroscopy Association of North America, Vancouver, BC, Canada. May 12-15, 2005.

Courses-Faculty: (con't)

101. Hip Arthroscopy Course, Cadaveric Lab. Smith & Nephew. Santa Monica Orthopaedic and Sports Medicine Group Saint John's Hospital, Santa Monica, California, July 9, 2005.
102. Masters Experience Hip Arthroscopy, Orthopaedic Learning Center, Rosemont, Illinois. August 19-21, 2005.
103. Orthopaedic Hip Disorders (Current Concepts of Femoroacetabular Impingement) 14th Annual Current Issues of Magnetic Resonance Imaging in Orthopaedics and Sports Medicine. August 21-24, 2005. The Ritz Carlton, San Francisco.
104. Course Director of the First Annual San Francisco Hip Arthroscopy and Hip Preservation Surgery Course, Union Square Hyatt Hotel, San Francisco. Presentations: 1. How Much Arthritis is too much for Joint Preservation Surgery? 2. Arthroscopic Technique for Femoroacetabular Impingement. 3. Arthroscopic surgery for: Loose bodies and synovial Chondromatosis. Coxa Saltans-Internal and External. Snapping Iliopsoas. 4. Results: Outcomes from Arthroscopic treatment of FAI. September 16-17, 2005
105. Faculty Member at the James O Johnson Symposium 2005 Primary Total Joint Update, San Francisco. Lecture on Hip Impingement Syndrome. Labral Lesions and Hip Arthroscopy. November 11-12, 2005.
106. Hip Model Laboratory Instructor at the AANA Fall Course, JW Marriott Desert Ridge Resort & Spa, Phoenix, Arizona, December 1-3, 2005.
107. Lecture on Femoroacetabular Impingement (FAI) at the AANA Fall Course, JW Marriott Desert Ridge Resort & Spa, Phoenix, Arizona, December 1-3, 2005.
108. Lecture on Treatment of Femoroacetabular Impingement. Italian Hip Society Congress Meeting, Milan Italy. December 16-28, 2005.
109. Masters Experience Hip Arthroscopy, Orthopaedic Learning Center, Rosemont, IL. January 27-29, 2006.
110. Lecture on Arthroscopic Debridement of the Hip from Loose Bodies to FAI. AANA Specialty Day at the American Academy of Orthopaedic Surgeons, 73rd Annual Meeting, Chicago Illinois. March 25, 2006.
111. Instructional Course Lecture on Arthroscopic Treatment of FAI. American Academy of Orthopaedic Surgeons, 73rd Annual Meeting, Chicago Illinois. March 26, 2006.
112. Course Moderator and Discussion on Hip Arthroscopy, Five Papers. AANA 25th Annual Meeting, Hollywood, Florida. May 19, 2006.
113. Instructional Course. Arthroscopic Treatment of Femoroacetabular Impingement. AANA 25th Annual Meeting, Hollywood, Florida. May 20, 2006.
114. Lecture: Advances in Hip Arthroscopy, Paris France. May 22, 2006.
115. Course Moderator: Lecture; "Hip arthroscopy for osteoarthritis; how much is too much arthritis for conservative surgery", Paris France. May 22, 2006.
116. Lecture: Femoroacetabular Impingement: Myth or Reality?, Paris, France. May 23, 2006.

Courses-Faculty: (con't)

117. Shoulder Lab Instructor: 23rd Annual San Diego Meeting, San Diego, California. June 21-24, 2006.
118. Lectures: 1. Arthroscopic Management of FAI. 2. How much DJD is too much for Arthroscopic Hip Surgery? 3. Arthroscopic Treatment of Snapping Hip. AANA Masters Experience: Hip Arthroscopy, Chicago Illinois. July 7-9 2006.
119. Orthopaedic Hip Disorders (Current Concepts of Femoroacetabular Impingement) 15th Annual Current Issues of Magnetic Resonance Imaging in Orthopaedics and Sports Medicine. Grand Hyatt, San Francisco. August 27-30, 2006.
120. Lectures: 1. Arthroscopic Techniques: How much arthritis is too much for joint preserving surgery?. 2. Arthroscopic technique for femoral acetabular impingement. 3. Arthroscopic surgery for: Snapping Iliopsoas. Second Annual San Francisco Hip Arthroscopy and Hip Prevention Surgery Course. Union Square Hyatt Hotel. September 22-23, 2006.
121. Point/Counterpoint. Femoroacetabular Impingement A Cause of Hip Pathology .2. Hip Model Lab Instructor (arthroscopic hip surgery) Arthroscopy Association Of North America. 25th Annual Course. Desert Springs, A J.W. Marriot Resort & Spa, Palm Desert, California. November 9-11, 2006.
122. Arthroscopic Treatment for Hip Pain. Super-Seminar at Saint Francis Memorial Hospital. January 19, 2007.
123. Position: Lateral. 2. Complications. 3. My Approach to FAI – Cam & Pincer. 4. Arthroscopic Surgery for the Snapping Psoas. 5. Moderator. 6. Lab Instructor. Vail Hip Arthroscopy Symposium, February 1-3, 2007.
124. 1. “What would I have done differently if I could go back in time with my experience today? 2. “My Approach to FAI-labral re-fixation”. Third International Hip Arthroscopy Meeting, Sao Paulo, Brazil, March 1-3, 2007.
125. 1. Capsulectomy in Femoroacetabular Impingement Management. 2. Hip arthroscopy for osteoarthritis: How much is too much arthritis? 3. Second Look Arthroscopy: What have I seen? 4. Problems & Complications: Statistics and cases complicated. Third International Hip Arthroscopy Meeting, Sao Paulo, Brazil, March 1-3, 2007.
126. Multiple lectures given on Hip Arthroscopy at The Masters Hip Course, Learning Center, Chicago, Illinois. March 23-25, 2007.
127. Course Moderator for the following papers discuss: Accuracy of knee MRI to Evaluate Osteochondral lesions, Author: Pablo Adelino Naroba, M.D. Arthroscopic Management of Femoroacetabular Impingement: Early outcomes Measures. Author: Christopher M. Larsen, M.D. Early Results of Arthroscopic Labral Repair. Author: Marc J. Philippon, M.D., et al. The Reliability and Validity of Clinical Tests Used to Access Individuals with Potential Labral Tears of the Hip. Author: Rob Roy Martin, PhD and John Sekiya, M.D. Outcomes Following Hip Arthroscopy with Microfracture. Author: Marc Philippon, M.D. Arthroscopy Association of North America Annual Meeting, San Francisco, California. April 26, 2007.
128. Femoroacetabular Impingement (FAI) - Understanding an Arthroscopic Approach. Lecture given at the Arthroscopy Association of North America 26th Annual Meeting San Francisco, California, April 28, 2007.
129. Current Concepts in Hip Arthroscopy. 15th Annual Update in Orthopedic Surgery. Grand Wailea Resort and Spa, Maui, Hawaii. July 30 - August 3, 2007.

Courses-Faculty: (con't)

130. Surgical Evaluation and Management of Femoroacetabular Impingement. 2. Hip arthroscopy. 16th Annual Current Issues of Magnetic Resonance Imaging In Orthopaedics and Sports Medicine, Grand Hyatt, San Francisco, California. August 27-30, 2007.
131. Implant Selection, MIS. Total Joint and Orthopaedic Trauma: Perioperative Choices and Techniques Grand Hyatt, San Francisco, California. September 15, 2007.
132. Pre-Course Seminar: Hip Arthroscopy and Hip Disease in the Young. Topic: Femoroacetabular Impingement: 1. Cam and Pincer Lesions. 2. Should We Be Doing This At All? A Look at Results. Topic: Peripheral Compartment and Capsulotomy in Hip Arthroscopic Surgery. Live Surgery Moderator. 37th Annual Advances in Arthroplasty. An International Congress on 2nd Generation Bearing Surfaces, Surgical Approaches, and Treatment Algorithms. Newton Wellesley Hospital, Newton, Massachusetts. September 25, 2007.
133. Topics: 1. Basic Hip Exam. 2. What I Would Have Done Differently with What I Know Now. Cadaver Surgery: 1. Femoroacetabular Impingement. 2. Release Iliopsoas. Topic: 1. Arthroscopic Iliopsoas Release. 2. Arthroscopic Capsulotomy in Treatment of Femoroacetabular Impingement. Visiting Professor, International Course of Hip Arthroscopic Surgery, Mini-Invasive of the Hip. Buenos Aires, Argentina. September 28-29, 2007.
134. Topics: 1. The Lateral Approach: Technique and Anatomy of the intra-articular and Peripheral Compartments. 2. Capsulotomy as a Safe Approach in Hip Arthroscopy. 3. Evolution in Arthroscopic Treatment of Femoroacetabular Impingement. 4. My Method to Treat Femoroacetabular Impingement. 5. Live Arthroscopic Surgery of the Hip for Femoroacetabular Impingement. Course Director: The 3rd Annual San Francisco Hip Arthroscopy and Hip Preservation Surgery Meeting, October 18-20, 2007.
135. Master Instructor at the AANA Master Experience Hip Arthroscopy Course. Learning Center, Chicago Illinois. February 22-24, 2008.
136. Hip Arthroscopy Essentials: How to Effectively Introduce the Techniques into Your Practice. Lecture Given: Understanding Arthroscopic Surgery for Femoral Acetabular Impingement. AANA 27th Annual Meeting, Washington, DC. April 24-27, 2008.
137. Moderator on Clinical Case Panel on Hip Arthroscopy, AANA 27th Annual Meeting, Washington, DC. April 24-27, 2008.
138. Topics: 1. Arthroscopic Treatment of Femoroacetabular Impingement. 2. Second Look Hip Arthroscopy. 3. Hip Arthroscopy, Live Surgical Demonstration. 4. Removal of Loose Bodies and Synovial Chondromatosis & Arthroscopic Treatment for Coxa Saltans (Snapping Hip Syndrome) Hotel Hilton, Buenos Aires, Argentina, May 7-8, 2008.
139. Acetabular Rim Trimming with and without Labral Takedown. 2. Moderator on Arthroscopic Surgery for Gluteal Tendinopathy. 3. Capsulotomy and Capsulectomy as an Effective Approach in Hip Arthroscopy. Smith & Nephew Global Education Center, Paris, France May 19-20, 2008.
140. "Management of Hip Arthroscopy" Western Orthopaedic Association 72nd Annual Meeting. Ritz Carlton, Kapalua Maui, Hawaii. July 23-26 2008.

Courses-Faculty: (con't)

141. "Surgical Evaluation and Management of Femoroacetabular Impingement". Panel Discussion: Hip. 17th Annual Current Issues of Magnetic Resonance Imaging in Orthopaedics and Sports Medicine. Grand Hyatt, San Francisco. August 24-27, 2008.
142. Arthroscopic treatment of femoro-acetabular impingement. Arcus Meeting, Hamburg, Germany September 6, 2008.
143. Arthroscopic Treatment of Osteoarthritis of the Hip Live video presentation at the Sports Hip Surgery 2008. University of Warwick, November 4, 2008.
144. Complications of Total Hip. Saint Francis Memorial Hospital Department of Surgery, November 14, 2008.
145. Femoroacetabular Impingement, the Logic and Treatment of Cam and Pincer Lesions. Arthroscopy Association of North America, 27th Fall Course, J.W. Marriot Desert Ridge, Phoenix, AZ. November 20-22, 2008.
146. Hip Arthroscopy Lateral Approach. AANA Masters Experience. 2. Endoscopic Management of the Iliopsoas. 3. How much is Too Much? 4. Acetabular Rim Trimming without Labral Takedown. AANA Masters Experience, Hip Course. The Learning Center, Chicago Illinois. February 6-8, 2009.
147. 1. Position: Lateral. 2. My Approach to FAI. 3. My Approach to the Labrum. 4. Labrum Repair-Refixation. 5. Complications. Vail Hip Arthroscopy Symposium. Vail, Colorado. February 12-14, 2009.
148. Hip Arthroscopy: Evolution, Technique, and Outcomes. Orthopaedic Surgery City-Wide Grand Rounds. Mission Bay Conference Center, San Francisco, California, March 28, 2009.
149. Advanced Hip Arthroscopy: Labral Disorders, Femoroacetabular Impingement, and Extra-articular Disorders, AANA Annual Meeting, San Diego Convention Center, San Diego, California. May 2, 2009.
150. 1. "Understanding and Treatment for Femoroacetabular Impingement". 2. "Arthroscopic Treatment for Snapping Hip Syndrome". 3. "Rim Trimming With and Without Labral take-down". 4. "Capsulotomy and Capsulectomy in Hip Arthroscopy". 5. Arthroscopic Treatment for Hip Arthritis". Campinas, Brazil. June 18-20, 2009
151. "Surgical Evaluation and Management of Femoroacetabular Impingement". Hip Dissection and Arthroscopy. Panel Discussion: Hip. 18th Annual Current Issues of Magnetic Resonance Imaging in Orthopaedics and Sports Medicine. Grand Hyatt, San Francisco. August 30 – September 2, 2009.
152. 1. Arthroscopic Treatment of Cam Impingement. 2. Snapping Hip Syndrome, Diagnosis and Surgical Technique. 3. "How Much Arthritis is Too Much? AANA Masters Experience Hip Arthroscopy Course #713. OLC Chicago Illinois. October 30 - November 1, 2009.
153. 1. Hip Setup, Portals Positioning. 2. Cam and Pincer Visualization and Repair. 3. FAI results: Do we change OA History? Orthopedic Surgery Controversies, Napa 2009. Shoulder and Hip Arthroscopy. Silverado Resort, Napa, California, November 5-7, 2009.
154. How Does Hip Arthroscopy and Hip Replacement Affect the Worker? UCSF Health and Safety in Transportation Workers: Air, Sea, and Land and Occupational and Environmental Medicine Update. Holiday Inn Golden Gateway Hotel. San Francisco, California. November 12-14, 2009.

Courses-Faculty: (con't)

155. Topics of Lectures: 1. Correlation between Imaging and Surgical Findings. 2. Lateral Decubitus Position for Hip Arthroscopy. 3. Overview of Open Treatment of Femoroacetabular Impingement. 4. Arthroscopic Pincer Technique. 5. Unusual Lesions Treated with Arthroscopic Hip Surgery. XV Congress International America 2010. Puerto Vallarta, Mexico, June 2-5, 2010.
156. Topics of Lectures: 1. Arthroscopic technique, wide capsulectomy from the outside. 2. Arthroscopic rim trimming with labral detachment. 3. Arthroscopic surgery for established degeneration. Sports Hip Surgery 2010. Warwick University, Coventry, England, June 14-15, 2010.

Activities:

1. Consultant University of California, San Francisco, Student Health, July 1982 to present.
2. Attending Physician University of California, San Francisco, Hip Clinic, July 1982 to 1993.
3. President Alumni Association, Mount Zion Hospital and Medical Center.
4. Associate Chief in the Department of Orthopaedic Surgery, UCSF/Mount Zion Hospital and Medical Center.
5. Assistant Clinical Professor of Orthopaedic Surgery, University of California, San Francisco.
6. Committee Member American Academy of Orthopaedic Surgeons, Nursing and Allied Health Education, January 1991.
7. Member American Academy Of Orthopedic Surgeons Committee on Multi-Media Education from 1992 to present.
8. Co-Team Physician, San Francisco State University, from 1982 through 1991.
9. Team Physician for United States Freestyle Ski Team, Coverage of World Cup Freestyle Skiing, Breckenridge Colorado, January 1995.
10. Member Research Committee Arthroscopy Association of North America 1995.

Courses-Attended:

1. Synatomic Variable Fit Knee Workshop, Park City, Utah, March 14-15 1985.
2. "Hip Implant Surgery in a Changing Health Care Environment" Minnesota, March 17-20 1985.
3. Orthopaedic Society Annual Scientific Program University Of California, San Francisco, May 23-24 1985.
4. The Maine Orthopaedic Review, at Colby College, American Medical Association, Continuing Medical Education, Accredited By Mid-Maine Medical Center, Waterville, June 16-29 1985.
5. Total Knee and Hip Arthroplasty, Mt Zion Hospital and Medical Center, August 15-17 1985.
6. New Jersey LCS Knee System, DePuy Instructional Course, San Francisco, California. September 27-29 1985.
7. Concepts & Techniques of Hip Arthroplasty, Boston, Massachusetts. May 2-3 1986.

Courses-Attended: (con't)

8. "Newer Trends In Total Knee Replacement", by Med Tech West Inc, Mercy Hospital & Medical Center, La Jolla, Californiam July 23, 1986.
9. American Academy Of Orthopedic Surgeons, Summer Institute, September 23, 1986.
10. Midas Rex Skills Conference, at Cathedral Hills Hotel, San Francisco, California. January 16-17 1987.
11. American Academy Of Orthopaedic Surgeons 1987 Annual Meeting, San Francisco, California.
12. American Academy Of Orthopaedic Surgeons, 1988 Annual Meeting, Atlanta, Georgia.
13. Magnetic Imaging In Orthopaedics and Rheumatology, Shoulder Arthroscopy, Mark Hopkins Hotel, San Francisco, California, September 24, 1988.
14. American Academy Of Orthopaedic Surgeons 56th Annual Meeting, Las Vegas, February 9-14 1989.
15. Richards Medical, Current Trends In Total Hip Arthroplasty, New Orleans, Louisiana. January 11, 1992.
16. American Academy Of Orthopaedic Surgeons, 59th Annual Meeting, Washington DC Convention Center, February 20-25, 1992.
17. Panel Member, MR. Musculoskeletal Imaging Symposium, General Electric Medical Systems and California Advanced Imaging, Four Seasons Clift Hotel, San Francisco, November 4, 1989.
18. Clinical Orthopaedics Workshop on Laser Arthroscopy, San Francisco SurgiCenter, December 1, 1989.
19. Arthroscopy Association Of North America Meeting, La Paloma Country Club, Tucson, Arizona, November 11-14, 1990.
20. The Cruciate Decision Satellite Conference in Palm Springs, California, January 21, 1993.
21. Western Orthopaedic Association 65th Annual Meeting in San Francisco, California. September 22-26, 2001.
22. AO ASIF Bern Hip Symposium, Mammoth Lakes, California, January 22-24, 2003.
23. "New Techniques in Minimal Incision Arthroplasty". Sponsored by DePuy, a Johnson & Johnson Company. Claremont Resort & Spa, Berkeley, California. February 26, 2003.
24. Early User Resurfacing Training Program. Las Vegas, Nevada. March 9, 2007.

Hospital Appointments:

1. Inactive Staff, Orthopaedic Surgery; UCSF/Mt Zion Hospital, San Francisco, California, 1982 to present.
2. Active Staff, Orthopaedic Surgery; Saint Francis Memorial Hospital, San Francisco, California, December 1999 to Present.
3. Inactive Staff, Orthopedic Surgery, California Pacific Medical Center, San Francisco, California, January 2000 to present.
4. Former Associate Clinical Professor; University Of California, San Francisco.
