

CURRICULUM VITAE

THOMAS G. SAMPSON, M.D.
2299 Post Street, Suite 107
SAN FRANCISCO, CA. 94115
TAX-ID# 94-2968354

(1)

TITLE: Orthopaedic Surgeon

BORN: Los Angeles, California, July 10, 1951

PRE-MEDICAL EDUCATION: University Of California, Riverside;
B.S. Biochemistry, March 1973.

MEDICAL EDUCATION: Georgetown University Medical School;
May 1977

INTERNSHIP: Mount Zion Hospital and Medical Center,
completed June 1978

RESIDENCY IN ORTHOPAEDIC
SURGERY:

University Of California, San
Francisco, July 1978 to June 1982

BOARD CERTIFICATION: July 19, 1985

MEDICAL SOCIETIES: California Orthopaedic Association, San
Francisco Medical Society, Le Roy C.
Abbott Orthopaedic Society, American
Academy Of Orthopaedic Surgeons, Western
Orthopaedic Association, Arthroscopy
Association Of North America.

LICENSE: Radiography And Fluoroscopy. X-Ray
Supervisor And Operator.

PRESENTATIONS:

- (1) "The Harris Condylcephalic Nail" presented at the Le
Roy C. Abbott Orthopaedic Society, San Francisco,
June 1980.
- (2) "The Varciela" presented at the Hand Surgery Grand
Rounds, San Francisco, November 1980.

- (3) "Macroductyly" presented at The Sterling Brunnell Memorial Lectureship, Shriners Hospital, San Francisco, November 1980.
- (4) "Cervical Spine Disorders in Children" presented at the Verne T. Inman, Shriners Hospital Meeting, San Francisco, May 1981.

CURRICULUM VITAE

THOMAS G. SAMPSON, M.D.
2299 Post Street, Suite 107
SAN FRANCISCO, CA. 94115

(2)

PRESENTATIONS: (con't)

- (5) "Hypotensive Anesthesia for Total Hip Replacement" presented at the Combined University of California Grand Rounds, San Francisco, November 1981 and at the Canadian Orthopaedic Association, Kingston, Ontario, June 1982.
- (6) "Extra-Articular Surgery of the Hip for Arthritis" presented at Combined University of California Orthopaedic Grand Rounds, San Francisco, March 1982.
- (7) "Hypotensive Anesthesia for Total Hip Replacement" presented at The Western Orthopaedic Association 46th Annual Meeting, Albuquerque, New Mexico, October 12, 1982.
- (8) "The Aging Hip" presented at the Geriatric Conference, Mt. Zion Hospital, San Francisco, December 13, 1983.
- (9) "Advancement in Hip Prosthesis" presented at The Physical and Occupational Therapy Conference, Mt Zion Hospital, San Francisco January 10, 1984.
- (10) "Bursitis & Tendonitis" presented at the 35th Annual Course for Physicians in Family Practice, Mt Zion Hospital, San Francisco, March 6, 1985.
- (11) Anatomy Portion of The San Francisco Orthopaedic Review Course on the Shoulder and Arm, University of California, San Francisco, May 1985.

(12) "Joint Replacement The Great Cure" presented at
Institute on Aging, Mt Zion Hospital, May 21, 1987.

(13) "Arthroscopy Treatment of Shoulder impingement",
By Todd H. Katzman, M.D., James M. Glick, M.D.,
Thomas G. Sampson, M.D., Robert B. Gordon,
M.D., Stanley L. Kampner, M.D., presented at The
Twenty Second Annual Scientific Program of The
Leroy C. Abbott Orthopaedic Society, May 22,
1987.

CURRICULUM VITAE

THOMAS G. SAMPSON, M.D.
2299 Post Street, Suite 107
SAN FRANCISCO, CA. 94115

(3)

PRESENTATIONS: (con't)

- (14) Instructional Course, "Arthroscopy of the Hip and Ankle", James M. Glick, M.D., Thomas G. Sampson, M.D., Arthroscopy Association Of North America 8th Annual Meeting, Westin Hotel, Seattle, Washington, April 13-16, 1989.
- (15) "Shoulder Arthroscopy-Getting Started" AANA Annual Meeting Instructional Course, Wesley Nottage, M.D., Richard Hawkins, M.D., Thomas G. Sampson, M.D., Orlando, Florida April 26-29, 1990.
- (16) "Ankle Arthrodesis" James M. Glick, M.D., Mark S. Myerson, M.D., Craig D. Morgan, M.D., Thomas G. Sampson, M.D., AANA Annual Meeting Orlando Florida, April 26, 1990.
- (17) "Precision Acromioplasty In Arthroscopic Subacromial Decompression Of The Shoulder" The 25th Annual Le Roy C. Abbott Society Meeting University Of California, San Francisco, May 4, 1990.
- (18) "Common Orthopaedic Problems In The Elderly" Institute On Aging, Mount Zion Hospital and Medical Center, Geriatric Clinic Seminar, May 9, 1990.
- (19) "Precision Acromioplasty In Arthroscopic Subacromial Decompression Of The Shoulder" Western Orthopaedic Association Meeting, San Antonio Texas October 14-18, 1990.
- (20) "Total Knee Replacement In The Elderly", Geriatric Grand Rounds, Mount Zion Hospital and Medical Center, November 27, 1990.
- (21) "Eight Year Experience In Total Knee Replacement", Northern California Western Orthopaedic Association Meeting, Yosemite, California January 31, 1992

- (22) "Arthroscopic Ankle Arthrodesis: Experience with 75 Cases" Presented at the American Academy Of Orthopaedic Surgeons 62nd Annual Meeting, Orlando Florida, February 17, 1995.

CURRICULUM VITAE

THOMAS G. SAMPSON, M.D.,
2299 Post Street, Suite 107
SAN FRANCISCO, CA. 94115

(4)

PRESENTATIONS: (con't)

- (23) "Removal of Tumors In or Around Hip Joint Through Minimal Incisions" presented at The Verne T. Inman Lectureship and The Scientific Program And Visiting Professorship of the Le Roy C. Abbott Orthopaedic Society, University of California, San Francisco, May 7-8, 1998
- (24) "Hip Arthroscopy for Degenerative Joint Disease" by Laith Farjo, M.D., Michelle James, M.D., James Glick, M.D., Thomas Sampson, M.D. presented at The Verne T. Inman Lectureship and The Scientific Program And Visiting Professorship of the Le Roy C. Abbott Orthopaedic Society, University of California, San Francisco May 7-8, 1998
- (25) Instructional Course #171, "Hip Arthroscopy", 66th Annual Meeting American Academy of Orthopedic Surgeons. J.M. Glick, M.D., G.G. Poehling, M.D., T.G. Sampson, M.D., H.W. Sweeney, M.D., Moderator, J.W.T. Byrd, M.D., Orange County, California, February 4-8, 1999.
- (26) Instructional Course Lecture. Advanced Techniques and New Horizons in Hip Arthroscopy. AAOS Meeting, Orlando, FA, March 15, 2000.
- (27) Instructional Course Lecture. "New Horizons and Advanced Techniques in Hip Arthroscopy. AAOS 68th Annual Meeting, February 28 - March 4, 2001. Moscone Convention Center, San Francisco, California.
- (28) "Modern Total Joint Replacement" Noon Grand Rounds, March 20, 2001. Saint Francis Memorial Hospital, San Francisco, California.
- (29) "Suprascapular Neuropathy and Shoulder Pain" Noon Grand Rounds, May 1, 2001 Saint Francis Memorial

Hospital, San Francisco, California.

- (30) "The UniSpacer" Alternatives to Total Knee replacement. Lecture given to Nursing Staff of Saint Francis Memorial Hospital September 10, 2002.

CURRICULUM VITAE

THOMAS G. SAMPSON, M.D.
2299 Post Street, Suite 107
SAN FRANCISCO, CA. 94115

(5)

COURSES-FACULTY

- (1) Laboratory Instructor: AAOS Instruction Course In Advanced Arthroscopy, San Francisco, June 2-5, 1982.
- (2) Laboratory Instructor: AAOS Summer Institute Course on Arthroscopy of the knee, Monterey, California, September 23-24, 1982.
- (3) Program Director: UCSF Workshop on Anatomic Knee Replacement, San Francisco, July 8-9, 1983.
- (4) Program Director & Instructor: Med Ed Workshop on total Joint Replacement, Santa Rosa, California, November 5, 1983.
- (5) Laboratory Instructor: Total Knee-Hip Arthroplasty, Vail Colorado, January 15-20, 1984.
- (6) Faculty: Total Hip Arthroplasty-The PCA System, Reno, Nevada, July 14, 1984.
- (7) Instructor: Howmedica PCA Knee and Hip Workshop, Dallas Texas, November 30, 1984 - December 1, 1984.
- (8) Program Director & Instructor: Med-Ed Workshop, Orthopaedic Treatment and Traction, San Jose Hospital, April 4, 1986.
- (9) Co-Chairman at the 36th Annual Course for Physicians in Family Practice, Controversies in Total Joint Surgery, Mt Zion Hospital and Medical Center, March

12, 1986.

- (10) Member of Advisory Board for Autology Centers, San Francisco, and Sunnyvale 1987.
- (11) Co-Chairman for the 37th Annual Course for Physicians in Family Practice, How to Inject Joints, Mt Zion Hospital and Medical Center, April 28, 1988.
- (12) Orthopaedic Review Course, Total Joint, Clarion Hotel, San Francisco, March 1, 1988.
- (13) Co-Chairman for the 38th Annual Course for Physicians in Family Practice, Foot Pain In The Runner. Mt Zion Hospital and Medical Center, April 28, 1988.

CURRICULUM VITAE

THOMAS G. SAMPSON, M.D.
2299 Post Street, Suite 107
SAN FRANCISCO, CA. 94115

(6)

COURSES-FACULTY: (con't)

- (14) Innovations In Ankle Arthroscopy, The Hyatt on Union Square, San Francisco, January 21, 1989.
- (15) Co-Chairman for the 39th Annual Course for Physicians in Family Practice, Injuries In The Weekend Athlete, Mount Zion Hospital and Medical Center, April 12, 1989.
- (16) Instructor: Anatomy Of The Shoulder, Course at University Of California, San Francisco, May 20-21 1989.
- (17) State-Of-The-Art In Hip and Knee Replacement: Issues In Fit and Longevity, Osteonics, Breckenridge, Colorado, Beaver Run Resort, March 12-15 1990.
- (18) State-Of-The-Art in Hip and Knee Replacements: Issues in Fit and Longevity, Breckenridge Colorado, Beaver Resort, February 11-14 1991.
- (19) "Shoulder Arthroscopy - Principles and Practical

Techniques in the Glenohumeral Joint &
Subacromial Space" Arthroscopy Association Of
North America Meeting April 24-27. 1991 in San
Diego, California

- (20) The Silvirado Hip and Knee, Three Follow-Up; OMNI-FIT Total Knee System, Summit, May 10-11, 1991
Napa, California.
- (21) Arthroscopic Shoulder Surgical Techniques and
Endoscopic Carpal Tunnel Release - Cadaver Surgical
Workshop, Saddleback Memorial Medical Center,
University of California, Irvine, May 31-June 2,
1991.
- (22) Arthroscopy Association Of North America, Shoulder
Arthroscopy Work Shop, Marriott's Desert Springs
Resort, Palm Desert, California November 22-24,
1991.
- (23) Saddleback Memorial Medical Center, Refinements In
Shoulder Arthroscopy, Total Shoulder Arthroplasty,
Hands-On Cadaver Surgical Workshop, Dana Point
Resort, California January 17-18, 1992.

CURRICULUM VITAE

THOMAS G. SAMPSON, M.D.
2299 Post Street, Suite 107
SAN FRANCISCO, CA. 94115

(7)

COURSES-FACULTY: (con't)

- (24) Surgical Technique, Subacromial Decompression. Lab
Instructor, shoulder arthroscopy lab, Ninth Annual
San Diego Meeting, Hyatt Regency, Lajolla June 25-
27, 1992.
- (25) AANA 11th Annual Course, Shoulder Laboratory
Coordinator. Monterey California, November 19-22,
1992.
- (26) Brown Bag Lecture Series. "Video Production and
Medicine". University of San Francisco, California,
February 10, 1993.

- (27) Bioskills Presentation on The Series 7000 Osteonics Knee, International Training Meeting, San Francisco, February 17, 1993.
- (28) Coordinating Chairman, American Academy Of Orthopedic Surgeons, Nursing and Allied Health Program, 60th Annual Meeting, San Francisco, February 18-20, 1993.
- (29) Industrial Claims Association Meeting, Cumulative Trauma Class, San Francisco, March 11, 1993.
- (30) Arthroscopic Shoulder Surgery, Mitek Stabilization, Shoulder Laboratory Instructor, Surf and Sand Hotel, Laguna Beach, California, March 19-20, 1993.
- (31) San Francisco SurgiCenter, Quarterly Orthopedic Dinner Meeting. "The Safety and Efficiency of Outpatient Anterior Cruciate Ligament Reconstruction", March 30, 1993.
- (32) 2nd Annual, Current Issues Of Magnetic Resonance Imaging In Orthopedics And Sports Medicine. " The Biceps Labral Complex SLAP Lesions" Sheraton Palace Hotel, San Francisco September 8-11-1993.
- (33) Arthroscopy Association Of North America, "The shoulder: Arthroscopic Evaluation and Treatment. Fall Course Albuquerque New Mexico, October 7-9, 1993

CURRICULUM VITAE:

THOMAS G. SAMPSON, M.D.
2299 Post Street, Suite 107
SAN FRANCISCO, CA. 94115

(8)

COURSES-FACULTY: (con't)

- (34) AAOS Review and Update for Practicing Orthopedic Surgeons. "Elbow and Forearm Problems and Reconstruction" Sheraton Palace Hotel, San Francisco, December 3-5 1993.

- (35) AAOS 61st Annual Meeting Instruction Course. Current Concepts in Orthopedic Imaging: Knee and shoulder. Cost effectiveness of orthopedic imaging modalities. Discussion of possible diagnosis algo-rhythms. New Orleans February 24, 1994 through March 1, 1994.
- (36) 3rd Annual Current Issues of Magnetic Resonance Imaging in Orthopedics and Sports Medicine Conference. Instructor for the shoulder dissection workshop. Sheraton Palace Hotel, San Francisco, September 21-24, 1994.
- (37) 4th Annual Current Issues of Magnetic Resonance Imaging in Orthopaedics & Sports Medicine, Shoulder Laboratory Instructor, September 6-9, 1995 Ritz Carlton San Francisco.
- (38) Shoulder Laboratory Instructor. AANA Fall Course December 7-10, 1991 San Antonio, Texas.
- (39) "Arthroscopic Treatment of Rotator Cuff Injuries and Disease" UCSF Musculoskeletal Magnetic Resonance Imaging. January 22-25, 1996, Mark Hopkins Inter-Continental Hotel, San Francisco.
- (40) 5th Annual, Current Issues of Magnetic Resonance Imaging In orthopedics and Sports Medicine, Shoulder Laboratory Instructor, September 4-7, 1996 The Ritz Carlton, San Francisco, CA.
- (41) "Office Based Orthopaedics For The Primary Care Physician". University Of California San Francisco. October 17-19, 1996.
- (42) "When To Do An Arthroscopic Rotator Cuff Repair" AANA Fall Course, November 21-24, 1996. Palm Desert, California

CURRICULUM VITAE:

THOMAS G. SAMPSON, M.D.
2299 Post Street, Suite 107
SAN FRANCISCO, CA. 94115

COURSES-FACULTY: (con't)

- (43) AAOS 64th Annual Meeting, Nursing and Allied Health Committee Member Meeting, February 12-17, 1997, San Francisco Hilton Hotel.
- (44) "Surgical Correlation Of Shoulder MRI" University Of California, San Francisco, Second International Symposium On Musculoskeletal Magnetic Resonance Imaging, June 1-5, 1997 Fairmont Hotel, San Francisco.
- (45) AANA "The Masters Experience" General Shoulder Course, July 25-17, 1997 O.L.C. in Rosemont, Illinois
- (46) Education Design, Inc. Clinical Economic Strategies in Hip & Knee Replacement Meeting. "Conversion of 1997 Monterey, UKA to TKA. October 24-15, California.
- (47) "Hip Arthroscopy Indications and Procedure" Western Orthopaedic Association Annual Scientific Conference April 24-26, 1998 Santa Cruz, California
- (48) "Advanced Subacromial Techniques" AANA 17th Annual Meeting Orlando World Center Marriott Orlando, Florida April 30-May 3, 1998
- (49) Lab Instructor at the 7th Annual - Current Issues of Magnetic resonance Imaging in Orthopaedics and Sports Medicine. September 9-12, 1998, San Francisco.
- (50) Panelist at Total Joint Symposium, UCSF Department of Orthopedic Surgery, April 3, 1999.
- (51) Scientific Session: Shoulder IV Moderator: Arthroscopy Association of North America, 18th Annual Meeting, Vancouver Trade and Convention Center, Vancouver BC, Canada, April 15-18, 1999.
- (52) Panelist at Daughters Of Charity National Health System Meeting, Beyond The Cutting Edge, Loss

Prevention In the Perioperative Environment, II.
Wyndham Emerald Plaza Hotel, San Diego, Ca. August
26-28, 1999.

CURRICULUM VITAE

THOMAS G. SAMPSON, M.D.
2299 Post Street, Suite 107
SAN FRANCISCO, CA. 94115

(10)

COURSES-FACULTY: (con't)

- (53) Lab Instructor, Knee and Ankle Surgical Dissection Laboratory, 8th Annual Current Issues in Magnetic Resonance of Orthopaedics and Sports Medicine. August 29-September 1, 1999, Ritz Carlton Hotel, San Francisco.
- (54) Lab Instructor, Oratec Cadaver Lab November 11, 1999 at HealthSouth Surgery Center, San Francisco, Ca.
- (55) Lab Instructor, Shoulder Arthroscopy Workshop. AANA Fall Course, November 18-21, 1999, San Diego Convention Center, San Diego, California.
- (56) "Hip Arthroscopy: Surgical Technique" Hyatt Islandia Hotel, San Diego, Ca. April 13, 2000.
- (57) "Hip Arthroscopy" Grand Rounds, Saint Francis Memorial Hospital. April 25, 2000.
- (58) Lab Instructor, Shoulder Surgical Dissection. 9th Annual, Current Issues of Magnetic Resonance Imaging in Orthopedics and Sports Medicine. August 23 - August 26, 2000. Grand Hyatt, San Francisco, California
- (59) Lectures given on, 1. Hip Arthroscopy. 2. Shoulder Arthroscopy. 3. Suprascapular nerve entrapment. Update In Orthopaedics 2000. Kaiser Permanente Foundation Hospital, Honolulu, Hawaii. July 23-28, 2000.
- (60) Lectures given on, 1. Subacromial decompression and Cutting Block Technique. 2. Arthroscopic treatment of Shoulder Instability. 3. Posterior Instability.

4 Diagnosis and Treatment of Multi-directional Instability. 5. Treatment of Suprascapular Nerve Entrapment. Arturo Gutierrez Menses, Mexican Orthopaedic Association, Acapulco Mexico, September 14-16, 2000.

CURRICULUM VITAE

THOMAS G. SAMPSON, M.D.
2299 Post Street, Suite 107
SAN FRANCISCO, CA. 94115

(11)

COURSES-FACULTY:

- (61) Lectures given on, . 1. Posterior Instability: Arthroscopic Technique. 2. Arthroscopic Suprascapular Nerve Decompression, A New Technique. Shoulder surgery Controversies 2000. Wyndham Garden Hotel, Costa Mesa California, Saddleback Memorial Medical Center, Laguna Hills, Ca. October 6-8, 2000.
- (62) "Endoscopic Suprascapular Nerve Decompression" San Diego Shoulder, 18th Annual Meeting. June 20-12, 2001. Hyatt Regency, La Jolla, Ca.
- (63) Lab Instructor at the 10th Annual Current Issues of Magnetic Resonance Imaging In Orthopaedics and Sports Medicine. August 26-29, 2001, Grand Hyatt, San Francisco, Ca.
- (64) "Advanced Arthroscopy Of The Hip" Fall AANA Meeting, San Antonio, Texas, November 29, 2001 - December 1, 2001.
- (65) "Advanced Arthroscopy Of The Hip" instruction Course, Number 402. AAOS 69th Annual Meeting. Dallas Texas, February 13-17,, 2002.
- (66) Coordinator of Instructional Course Lecture on Hip Arthroscopy 2002: Indications, Techniques, Instrumentation and Complications. AANA 21st Annual Meeting, April 25-28, 2002, Washington, DC.

- (67) Professor at the "Symposium" S.14. Lectures on Portals Anatomy. Advanced Techniques In Hip Arthroscopy. Complications In Hip Arthroscopy. Hip Arthroscopy -Stryker-. XXVI National Orthopedic Congress, Orthopedic Society Of Mexico, World Trade Center Mexico City, Mexico April 30, 2002 - May 5, 2002.
- (68) Masters Instructor, AANA Hip Arthroscopy. May 17-19, 2002 Chicago Learning Center.
- (69) "Diagnosis and Surgical Treatment of Impingement" "Orthopaedic Diagnosis and Treatment of Hip Disorders" Instructor for the Shoulder Dissection Laboratory. The 11th Annual Current Issues of Magnetic Resonance Imaging in Orthopaedics and Sports Medicine. August 25-28th, 2002 Grand Hyatt San Francisco.

CURRICULUM VITAE

THOMAS G. SAMPSON, M.D.
2299 Post Street, Suite 107
SAN FRANCISCO, CA. 94115

(12)

COURSES-FACULTY: (con' t)

- (70) "Chronic Hip Pain" California Orthopaedic Association Course on The Use and Abuse Of Worker's Compensation in the Lower Extremity. Manhattan Beach Marriott, October 2, 2002.
- (71) "Arthroscopic and Open Suprascapular Nerve Decompression Technique and Results. Shoulder Controversies 2002. Saddleback Memorial Medical Center, Laguna Hills, California. October 4-6, 2002.
- (72) "Subacromial Decompression-Always With Cuff Repair, Clinical Results. Shoulder Controversies 2002. Saddleback Memorial Medical Center, Laguna Hills, California. October 4-6, 2002.
- (73) "Chronic Hip Pain" California Orthopaedic Association Course on The Use and Abuse Of Worker's Compensation in the Lower Extremity. Samuel Merritt College, Oakland, Ca. October 23, 2002.

- (74) "Hot Issues in Total Knee Replacement, Cemented versus Cementless" TVC Summit, November 2, 2002, JointCare Centers of America, Don CeSar Beach Resort, St Pete Beach, Florida November 1-2, 2002.

- (75) Course Moderator at The Saint Francis Memorial Hospital QME recertification course. "The Treatment of Pain & Musculoskeletal Issues in the Injured Worker". February 1, 2003.

- (76) "Treatment of Chronic Hip Pain & Shoulder Pain". Saint Francis Memorial Hospital QME recertification course, February 1, 2003.

- (77) "Advanced Techniques in Hip Arthroscopy", Instructional Course, American Academy of Orthopaedic Surgeons, Annual Meeting, February 5-9, 2003 New Orleans, Louisiana.

- (78) "New Minimally Invasive Surgical Procedure for Arthritis May Delay Knee Replacement Surgery". HealthSouth Surgery Center, March 20, 2003.

CURRICULUM VITAE

THOMAS G. SAMPSON, M.D.
 2299 Post Street, Suite 107
 SAN FRANCISCO, CA. 94115

(13)

COURSES-FACULTY: (con't)

- (79) "Arthroscopy of Hip Femoral Acetabular Impingement"
 "Complete Removal of Synovial Chondromatosis"
 Northern California Orthopaedic Association, 71st
 Annual Scientific Conference. PlumJack Squaw Valley
 Inn, Olympic Valley, Ca. April 11-13, 2003.

- (80) "Uni-Spacer in Knee Arthroplasty". Northern California
 Orthopaedic Association, 71st Annual Scientific
 Conference. PlumJack Squaw Valley Inn, Olympic Valley,
 Ca. April 11-13, 2003.

- (81) "Hip Arthritis in the Young Adult: Advances, Issues and

Pain Management. California Orthopedic Association Annual Meeting/QME Course. May 2-3, 2003 Grand Hyatt San Francisco.

- (82) "Orthopaedic Injuries and Pain Management". Knee Injuries with case presentation. California Orthopedic Association Annual Meeting/QME Course. May 2-3, 2003 Grand Hyatt San Francisco.
- (83) "Hip Impingement: A New Condition" AASP Annual Meeting/Scientific Program. Colorado Springs, July 25-27, 2003.
- (84) "Orthopaedic Hip Disorders" (Current Concepts of Femoral Acetabular Impingement) Hip dissection and Arthroscopy. 12th Annual Current Issues of Magnetic Resonance Imaging in Orthopaedics and Sports Medicine. August 24-27, 2003. The Ritz-Carlton, San Francisco.
- (85) "The Unispacer". 6th Alternative Bearing Surfaces In Total Joint Replacement. St. Francis Hotel, September 16, 2003.
- (86) "Femoral Acetabular Impingement As a Cause Of Hip Arthritis" Grand Rounds Saint Francis Memorial Hospital October 21, 2003.
- (87) "Master Surgeon Instructor" for The Masters Experience in Arthroscopy of the Hip. 1. Lab Demonstration - Arthroscopic Treatment of a popping Hip. 2. Arthroscopic Management of Impingement. AANA Masters Experience: Hip Arthroscopy Orthopaedic Learning Center, Rosemont, Illinois, February 13-15, 2004.

CURRICULUM VITAE

THOMAS G. SAMPSON, M.D.
2299 Post Street, Suite 107
SAN FRANCISCO, CA. 94115

(14)

COURSES-FACULTY: (con't)

- (88) Instructional Course, Hip Arthroscopy. Topic: Advanced Technique in Hip Arthroscopy - Synovial Chondromatosis, Femoral Acetabular Impingement and

Iliopsoas Release. American Academy Of Orthopaedic Surgeons 2004 Annual Meeting, March 10-14, 2004, The Moscone Center, San Francisco.

- (89) Lecture on Hip Arthroscopy for Femoral Acetabular Impingement Syndrome. Wilson-Bost Interurban Orthopedic Club Meeting, San Francisco April 16-17, 2004
- (90) Lab Instructor San Diego Shoulder Course, July 7-10, 2004.
- (91) Master Surgeon at the Hip Arthroscopy Surgical Skills Course, Arthroscopy Association of North America Meeting, Chicago, Il July 30th to August 1, 2004.
- (92) Lecture given on Arthroscopic Management of Hip Impingement, Arthroscopy Association of North America Meeting, Chicago Il, July 30th to August 1, 2004.
- (93) "Morphology as it effects Pathology from Developmental Dysplasia to Femoro-acetabular impingement, Current Concepts". August 22-25, 2004, 13th Annual Current Issues of Magnetic resonance Imaging in Orthopaedics and Sports Medicine.
- (94) "Hip Anatomy, biomechanics and Physiology". "Morphology as it effects pathology of the hip, Developmental Dysplasia to Femoro-acetabular impingement". Lectures given at the Ola Grimsby Institute Meeting in San Francisco, August 29, 2004.
- (95) Visiting Professor, 2nd Annual Hip Arthroscopy Symposium. Chungnam National University Hospital, Korea. Performed live hip arthroscopy. Lectures on Clinical Application of Hip Arthroscopy. Complications, Advanced Techniques In Hip arthroscopy. Impingement Pain of the Hip. December 2-5, 2004.

CURRICULUM VITAE

THOMAS G. SAMPSON, M.D.
2299 Post Street, Suite 107

SAN FRANCISCO, CA. 94115

(15)

COURSES-FACULTY: (con't)

- (96) Panelist at the 2005 QME Re-Certification Course at Saint Francis Memorial Hospital, February 6, 2005
- (97) Moderator of Instructional Course on Hip Arthroscopy. Lectured on Hip Arthroscopy by the Lateral Approach. Annual American Academy of Orthopedic Surgeons Meeting, February 23, 2005 Washington, DC.
- (98) Speaker at the "II International Hip Arthroscopy Course" as a speaker with the following themes: "Difficult Cases and the Snapping Hip". "Arthroscopy in Femoro-acetabular Impingement" Arthroscopic Anatomy- Intra and Extra-articular: Pathologic Hip. "Positioning and Distraction: Lateral". "Results and Complications Of The Hip Arthroscopy in Femoro-acetabular impingement". At the Instituto De Ensino e Pesquisa, Hospital Sirio Libanes, Sao Paulo Brazil. March 17-19, 2005.
- (99) Current Topics in Joint Replacement. Symposium and Panel Discussion at The 50th Annual Visiting Professorship of Leroy C. Abbott Orthopaedic Society and The 26th Annual Verne T. Inman Lectureship, The University Club, San Francisco May 5-6, 2005.
- (100) Evaluation and Arthroscopic Treatment of Femoro-acetabular impingement. 24th Annual Meeting Arthroscopy Association of North America, May 12-15, 2005, Vancouver, BC, Canada
- (101) Hip Arthroscopy Course, Cadaveric Lab. Smith & Nephew. Santa Monica Orthopaedic and Sports Medicine Group. Saint John's Hospital, Santa Monica, Ca. July 9, 2005.
- (102) Masters Experience Hip Arthroscopy, Orthopaedic Learning Center, Rosemont, IL. August 19-21, 2005.
- (103) Orthopaedic Hip Disorders (Current Concepts of Femoroacetabular Impingement) 14th Annual Current

Issues of Magnetic Resonance Imaging in Orthopaedics and Sports Medicine. August 21-24, 2005. The Ritz Carlton, San Francisco.

CURRICULUM VITAE

THOMAS G. SAMPSON, M.D.
2299 Post Street, Suite 107
SAN FRANCISCO, CA. 94115

(16)

COURSES-FACULTY: (con't)

- (104) Course Director of the First Annual San Francisco Hip Arthroscopy and Hip Preservation Surgery Course, September 16-17, 2005 Union Square Hyatt Hotel, San Francisco. Presentations: 1. How Much Arthritis is too much for Joint Preservation Surgery?. 2. Arthroscopic Technique for Femoroacetabular Impingement.3. Arthroscopic surgery for: Loose bodies and synovial Chondromatosis. Coxa Saltans-Internal and External. Snapping Iliopsoas. 4.Results:Outcomes from Arthroscopic treatment of FAI.
- (105) Faculty Member at the James O Johnson Symposium 2005. Primary Total Joint Update, November 11-12, 2005, San Francisco. Lecture on Hip Impingement Syndrome. Labral Lesions and Hip Arthroscopy.
- (106) Hip Model Laboratory Instructor at the AANA Fall Course, JW Marriott Desert Ridge Resort & Spa, Phoenix, Arizona, December 1-3, 2005.
- (107) Lecture on Femoroacetabular Impingement (FAI) at the AANA Fall Course, JW Marriott Desert Ridge Resort & Spa, Phoenix, Arizona, December 1-3, 2005.
- (108) Lecture on Treatment of Femoroacetabular Impingement. Italian Hip Society Congress Meeting, December 16-28, 2005 Milan Italy.
- (109) Masters Experience Hip Arthroscopy, Orthopaedic Learning Center, Rosemont, IL. January 27-29, 2006.

- (110) Lecture on Arthroscopic Debridement of The Hip From Loose Bodies to FAI. AANA Specialty Day at the American Academy Of Orthopaedic Surgeons, 73rd Annual Meeting March 25, 2006. Chicago IL.
- (111) Instructional Course Lecture on Arthroscopic Treatment of FAI. American Academy Of Orthopaedic Surgeons, 73rd Annual Meeting March 26, 2006. Chicago IL.
- (112) Course Moderator and discussion on Hip Arthroscopy, Five Papers. AANA 25th Annual Meeting, May 19, 2006. Hollywood, Florida.

CURRICULUM VITAE

THOMAS G. SAMPSON, M.D.
 2299 Post Street, Suite 107
 SAN FRANCISCO, CA. 94115

(17)

COURSES-FACULTY: (con't)

- (113) Instructional Course. Arthroscopic Treatment of Femoroacetabular Impingement. AANA 25th Annual Meeting, May 20, 2006. Hollywood Florida.
- (114) Lecture: Advances In Hip Arthroscopy, May 22, 2006. Paris France.
- (115) Course Moderator: Lecture; "Hip arthroscopy for osteoarthritis; how much is too much arthritis for conservative surgery". May 22, 2006. Paris France.
- (116) Lecture: Femoroacetabular Impingement: Myth or Reality? May 23, 2006. Paris France.
- (117) Shoulder Lab Instructor: 23rd Annual San Diego Meeting. June 21-24, 20006. San Diego, Ca.
- (118) Lectures: 1. Arthroscopic Management of FAI. 2. How much DJD is too much for Arthroscopic Hip Surgery? 3. Arthroscopic Treatment of Snapping Hip. AANA Masters Experience: Hip Arthroscopy, July 7-9 2006 Chicago IL.
- (119) Orthopaedic Hip Disorders (Current Concepts of Femoroacetabular Impingement) 15th Annual Current

Issues of Magnetic Resonance Imaging In Orthopaedics and Sports Medicine. August 27-30, 2006. Grand Hyatt, San Francisco.

- (120) Lectures: 1. Arthroscopic Techniques: How much arthritis is too much for joint preserving surgery?. 2. Arthroscopic technique for femoral acetabular impingement. 3. Arthroscopic surgery for: Snapping Iliopsoas. Second Annual San Francisco Hip Arthroscopy and Hip Prevention Surgery Course. Union Square Hyatt Hotel. September 22-23, 2006.
- (121) 1. Point/Counterpoint. Femoroacetabular Impingement A Cause of Hip Pathology. 2. Hip Model Lab Instructor (arthroscopic hip surgery) Arthroscopy Association Of North America. 25th Annual Course. Desert Springs, A J.W. Marriot Resort & Spa, Palm Desert, Ca. November 9-11, 2006.
- (122) Arthroscopic Treatment for Hip Pain. Super-Seminar at Saint Francis Memorial Hospital January 19, 2007.

CURRICULUM VITAE

THOMAS G. SAMPSON, M.D.
2299 Post Street, Suite 107
SAN FRANCISCO, CA. 94115

(18)

COURSES-FACULTY: con't

- (123) 1. Position: Lateral. 2. Complications. 3. My Approach to FAI - Cam & Pincer. 4. Arthroscopic Surgery for the Snapping Psoas. 5. Moderator. 6. Lab Instructor. Vail Hip Arthroscopy Symposium, February 1-3, 2007.
- (124) 1. "What would I have done differently if I could go back in time with my experience today? March 1, 2007
2. "My Approach to FAI-labral re-fixation". March 1, 2007. 3. Third International Hip Arthroscopy Meeting, Sao Paulo Brazil, March 1-3, 2007.
- (125) 1. Capsulectomy in Femoroacetabular impingement Management. March, 2, 2007. 2. Hip arthroscopy for osteoarthritis: How much is too much arthritis? March 2, 2007. 3. Second Look Arthroscopy: What have I seen? March 2, 2007. 4. Problems & Complications:

Statistics and cases complicated. Third International Hip Arthroscopy Meeting, Sao Paulo Brazil, March 1-3, 2007.

- (126) Multiple lectures given on Hip Arthroscopy at The Masters Hip Course, Learning Center, Chicago IL. March 23-25, 2007.
- (127) Course Moderator for the following papers discuss: Accuracy of knee MRI to Evaluate Osteochondral lesions, Author: Pablo Adelino Naroba, M.D. Arthroscopic Management of Femoroacetabular Impingement: Early outcomes Measures. Author: Christopher M. Larsen, M.D. Early Results of Arthroscopic Labral Repair. Author: Marc J. Philippon, M.D., et al. The Reliability and Validity of Clinical Tests Used to Access Individuals with Potential Labral Tears of the Hip. Author: Rob Roy Martin, PhD and John Sekiya, M.D. Outcomes Following Hip Arthroscopy with Microfracture. Author: Marc Philippon, M.D. April 26, 2007 Arthroscopy Association of North America Annual Meeting, San Francisco, Ca.
- (128) Femoroacetabular Impingement (FAI) Understanding and Arthroscopic Approach. Lecture given at the Arthroscopy Association of North America 26th Annual Meeting San Francisco, Ca. April 28, 2007.

CURRICULUM VITAE

THOMAS G. SAMPSON, M.D.
2299 Post Street, Suite 107
SAN FRANCISCO, CA. 94115

(19)

COURSES-FACULTY: (con't)

- (129) Current Concepts in Hip Arthroscopy. 15th Annual Update in Orthopedic Surgery. Grand Wailea Resort and Spa, Maui Hawaii. July 30th to August 3, 2007.
- (130) 1. Surgical Evaluation and Management of Femoroacetabular Impingement. 2. Hip arthroscopy. 16th Annual Current Issues of Magnetic Resonance Imaging In Orthopaedics and Sports Medicine. August 27-30, 2007.

Grand Hyatt, San Francisco.

- (131) Implant Selection, MIS. Total Joint and Orthopaedic Trauma: Perioperative Choices and Techniques. September 15, 2007. Grand Hyatt, San Francisco, Ca.
- (132) Pre-Course Seminar: Hip Arthroscopy and Hip Disease in the Young. Topic: Femoroacetabular Impingement: 1. Cam and Pincer Lesions. 2. Should We Be Doing This At All? A Look at Results. Topic: Peripheral Compartment and Capsulotomy in Hip Arthroscopic Surgery. Live Surgery Moderator. September 25, 2007. 37th Annual Advances in Arthroplasty. An International Congress on 2nd Generation Bearing Surfaces, Surgical Approaches, and Treatment Algorithms. Newton Wellesley Hospital, Newton, MA.
- (133) Topics: 1. Basic Hip Exam. 2. What I Would Have Done Differently with what I know now. Cadaver Surgery: 1. Femoroacetabular Impingement. 2. Release Iliopsoas. Topic: 1. Arthroscopic Iliopsoas Release. 2. Arthroscopic Capsulotomy in Treatment of Femoroacetabular Impingement. Visiting Professor September 28-29, 2007, International Course of Hip Arthroscopic Surgery, Mini-Invasive of the Hip. Buenos Aires, Argentina.
- (134) Topics: 1. The Lateral Approach: Technique and Anatomy of the intra-articular and Peripheral Compartments. 2. Capsulotomy as a Safe Approach in Hip Arthroscopy. 3. Evolution in Arthroscopic Treatment of Femoroacetabular impingement. 4. My method to treat Femoroacetabular Impingement. 5. Live Arthroscopic Surgery of the Hip for Femoroacetabular Impingement. Course Director: The 3rd Annual San Francisco Hip Arthroscopy and Hip Preservation Surgery Meeting, October 18-20, 2007

CURRICULUM VITAE

SAN FRANCISCO, CA. 94115

(20)

COURSES-FACULTY :(con't)

- (135) Master Instructor at the AANA Master Experience Hip Arthroscopy Course. Learning Center, Chicago IL. February 22-24, 2008
- (136) Hip Arthroscopy Essentials: How to effectively Introduce the Techniques into your Practice. Lecture Given: Understanding Arthroscopic Surgery for Femoral Acetabular Impingement. AANA 27th Annual Meeting, Washington, DC. April 24-27, 2008.
- (137) Moderator on clinical Case Panel on Hip Arthroscopy, AANA 27th Annual Meeting, Washington, DC. April 24-27, 2008.
- (138) Topics: 1. Arthroscopic Treatment of Femoroacetabular Impingement. 2. Second Look Hip arthroscopy. 3. Hip Arthroscopy, Live Surgical Demonstration. 4. removal of Loose Bodies and Synovial Chondromatosis & Arthroscopic Treatment for Coxa Saltans (Snapping Hip Syndrome) Hotel Hilton, Buenos Aires, Argentina, May 7-8, 2008.
- (139) 1. Acetabular Rim Trimming with and without Labral Takedown. 2. Moderator on Arthroscopic Surgery for Gluteal Tendinopathy. 3. Capsulotomy and Capsulectomy as an Effective Approach in Hip Arthroscopy. Smith & Nephew Global Education Center, Paris France May 19-20, 2008.
- (140) "Management of Hip Arthroscopy" (closed) Western Orthopaedic Association 72nd Annual Meeting. Ritz Carlton, Kapalua Mau, Hawaii. July 23-26 2008.
- (141) "Surgical Evaluation and Management of Femoroacetabular Impingement". Panel Discussion: Hip. 17th Annual Current Issues of Magnetic Resonance Imaging in Orthopaedics and Sports Medicine. Grand Hyatt, San Francisco. August 24-27, 2008.
- (142) Arthroscopic treatment of femoro-acetabular impingement. Arcus Meeting, Hamburg, Germany September 6, 2008.

THOMAS G. SAMPSON, M.D.
2299 Post Street, Suite 107

(21)

COURSES-FACULTY :(con't)

- (143) Arthroscopic Treatment of Osteoarthritis of the Hip. Live video presentation at the Sports Hip Surgery 2008. University of Warwick, November 4, 2008
- (144) Complications of Total Hip. Saint Francis Memorial Hospital Department of Surgery, November 14, 2008.
- (145) Femoroacetabular Impingement, the Logic and treatment of Cam and pincer Lesions. Arthroscopy Association of North America, 27th Fall Course, J.W. Marriot Desert Ridge, Phoenix, AZ. November 20-22, 2008.
- (146) 1. Hip Arthroscopy Lateral Approach. AANA Masters Experience. 2. Endoscopic Management of the Iliopsoas. 3. How much is Too Much? 4. Acetabular Rim Trimming without Labral Takedown. AANA Masters Experience, Hip Course. The Learning Center, Chicago IL. February 6-8, 2009.
- (147) 1. Position: Lateral. 2. My Approach to FAI. 3. My Approach to The Labrum. 4. Labrum Repair-Refixation. 5. Complications. Vail Hip Arthroscopy Symposium. February 12-14, 2009. Vail Colorado.
- (148) Hip Arthroscopy: Evolution, Technique, and Outcomes. Orthopaedic Surgery City-Wide Grand Rounds. Mission Bay Conference Center, San Francisco, March 28, 2009.
- (149) Advanced Hip Arthroscopy: Labral Disorders, Femoroacetabular Impingement, and Extra-articular Disorders. May 2, 2009, AANA Annual Meeting, San Diego Convention Center, San Diego, Ca.
- (150) 1. "Understanding and Treatment for Femoroacetabular Impingement". 2. "Arthroscopic Treatment for Snapping Hip Syndrome". 3. "Rim Trimming With and Without Labral take-down". 4. "Capsulotomy and Capsulectomy in Hip Arthroscopy". 5. Arthroscopic Treatment for Hip Arthritis". June 18-20, 2009. Campinas, Brazil

- (151) "Surgical Evaluation and Management of Femoroacetabular Impingement". Hip Dissection and Arthroscopy. Panel Discussion: Hip. 18th Annual Current Issues of Magnetic Resonance Imaging in Orthopaedics and Sports Medicine. Grand Hyatt, San Francisco. August 30th - September 2, 2009.

COURSES-FACULTY : (con't)

- (152) 1. Arthroscopic Treatment of Cam Impingement. 2. Snapping Hip Syndrome, Diagnosis and Surgical Technique. 3. "How Much Arthritis is Too Much? AANA Masters Experience Hip Arthroscopy Course #713. OLC Chicago IL. October 30-November 1, 2009.
- (153) 1. Hip Setup, Portals Positioning. 2. Cam and Pincer Visualization and Repair. 3. FAI results: Do we change OA History? Orthopedic Surgery Controversies, Napa 2009. Shoulder and Hip Arthroscopy. November 5-7, 2009. Silverado Resort Napa, CA.
- (154) How Does Hip Arthroscopy and Hip Replacement Affect the Worker? UCSF Health and Safety In Transportation Workers: Air, Sea, and Land and Occupational and Environmental Medicine Update. Holiday Inn Golden Gateway Hotel. San Francisco, CA. November 12-14, 2009.
- (155) Master Instructor-multiple lectures and bio-skills cadaver. AANA Masters Experience Hip Arthroscopy. The Learning Center, Chicago, IL. February 19-21, 2010.
- (156) 1. Position Lateral. 2. My Approach to FAI. 3. My Approach to the Labrum. 4. How to Recognize and Repair a Full Thickness Acetabular Articular Cartilage Delamination Defect. 5. Moderator for Session 5. Vail Hip Arthroscopy Symposium. Vail Cascade Resort. March 17-20, 2010.
- (157) Scientific Session VI: Hip Arthroscopy. 1.

Extensive Capsulotomy for Ideal Exposure and Treatment in Hip Arthroscopy SS-33. 2. Hip Arthroscopy. Labrum, Impingement and Extra-Articular Problems. AANA 29th Annual Meeting The Westin Diplomat Resort & Spa, Hollywood, FL. May 20-23, 2010.

- (158) Topics of Lectures: 1. Correlation between Imaging and Surgical Findings. 2. Lateral Decubitus Position for Hip Arthroscopy. 3. Overview of Open Treatment of Femoroacetabular Impingement. 4. Arthroscopic Pincer Technique. 5. Unusual Lesions Treated with Arthroscopic Hip Surgery. XV Congress International America 2010. Puerto Vallarta, Mexico, June 2-5, 2010.

CURRICULUM VITAE

THOMAS G. SAMPSON, M.D.
2299 Post Street, Suite 107
SAN FRANCISCO, CA. 94115

(23)

COURSES-FACULTY :(con't)

- (159) Topics of Lectures: 1. Arthroscopic technique, wide capsulectomy from the outside. 2. Arthroscopic rim trimming with labral detachment. 3. Arthroscopic surgery for established degeneration. Sports Hip Surgery 2010. Warwick University June 14-15, 2010.
- (160) 1. Surgical Evaluation and Management of Femoroacetabular Impingement. 2. Hip Dissection and Arthroscopy. Current Issues of Magnetic Resonance Imaging in Orthopaedics and Sports Medicine. August 29-September 1, 2010. Grand Hyatt, San Francisco, Ca.
- (161) 1. Accessing the Peripheral Compartment of the Hip. 2. How to Recognize and repair a full thickness acetabular articular cartilage delamination defect. 3. Principles of Safe Hip Distraction. Why I use the lateral position?-Advantages/Limitations. 40th Annual Course, Advances in Arthroplasty. Burning Issues and The Young Adult With Hip Disease, From Early Detection to Arthroplasty. Harvard Medical School. September 28-October 1, 2010. Hyatt Regency Hotel, Cambridge MA.

- (162) Topics of Lectures: 1.The Role of MRA in Hip Diagnosis Today. 2. Comparative Findings: Arthroscopy and Surgery. 3. Arthroscopic Management of FAI, Pincer, Always Rim Trim, No Labral Reattachment. 4. Case Presentation #1, Synovial Chondromatosis. ISHA Annual Scientific Meeting, The Hilton Cancun, Mexico. October 8-9 2010.
- (163) Topics of Lectures: 1. Anatomy and Physiology of the hip. 2. Diagnosis of hip Pathology. 3. Treatment of FAI.Lectures given to Physical Therapist and Chiropractors at Chiromed Chiropractic Medical October 26, 2010.
- (164) Topic of Lectures: 1. Strategies for Arthroscopic Correction of FAI. 2. Panel Discussion. 3. Model Lab Co-Chairman. AANA Fall Course, J.W. Marriott Desert Ridge, Phoenix, AZ. November 18-20 2010.
- (165) Vumedi Hip Arthroscopy Webinar International. 1.Basic Hip Arthroscopy - various talks and moderator. 2. Advanced Techniques - various talks and Moderator.

CURRICULUM VITAE

THOMAS G. SAMPSON, M.D.
2299 Post Street, Suite 107
SAN FRANCISCO, CA. 94115

SAN FRANCISCO, CA. 94115

(28)

COURSES-FACULTY: (con't)

- (197) Effective Capsulotomy - Inside-Out Approach. 2. Hands - on Cadaver Lab Session. 3. Presentation & Discussion, Complications and Treatments. 4. Internal and External Snapping hip, gluteus and minimus tendon repairs, abductor repair, etc. Biomechanical Solutions for Hip Arthroscopy, Florida, April 12, 2013
- (198) 1. The Young Adult Hip-from Hip Dysplasia to FAI; A Case Based Approach to Open and Arthroscopic Management. 2. FAI Arthroscopic Approach. 3. From Access to Repair: A Comprehensive Approach to Hip Arthroscopy. IAKOS Congress Meeting, Toronto Canada, May 12-16, 2013.
- (199) "MRI and Hip Arthroscopy, FAI and the Labrum: a comprehensive review from a surgeon's perspective" at Stoller, A Comprehensive Tutorial in Musculoskeletal Imaging. Encore At Wynn Las Vegas, NV. May 30-June 1, 2013.
- (200) 1. Lateral Approach. 2. Treatment Options for Chondral Lesions. 3. Arthroscopy for the Painful Hip Arthroplasty. Chairman of the AANA Hip Arthroscopy Course. The Learning Center, Chicago IL. June 28-30, 2013.
- (201) 1. Femoroacetabular Impingement. 2. Hip preservation Procedures That I use. Moderator at the Seventh Annual Hip and Knee Course. Four Seasons Hotel, Baltimore MA. August 23-24, 2013.

- (202) 1. Surgical Evaluation and Management of Femoroacetabular Impingement. 1. Hip Dissection and Arthroscopy. 22nd Annual Current Issues of Magnetic Resonance Imaging In Orthopaedics and Sports Medicine. Grand Hyatt, San Francisco, August 25-28, 2013.
- (203) 1. The evolution of arthroscopic treatment of Femoroplasty Impingement. 2. Arthroscopic treatment of labro-cartilage injuries and defects of the hip. 3. Hip arthroscopy, patient positioning portal and relevant surface anatomy and advanced thoughts. 4. Iliopsoas pathology rationale for treatment arthroscopically. 5. Hip Arthroscopy, lateral approach. 6. Extensive Capsulotomy for ideal exposure and arthroscopic treatment of hip pathology. Brazilian Hip Society Meeting, Sao Paulo, Brazil, September 11-14, 2013

CURRICULUM VITAE

THOMAS G. SAMPSON, M.D.
2299 Post Street, Suite 107
SAN FRANCISCO, CA. 94115

(29)

COURSES-FACULTY:(con't)

- (204) 1. Hip Model Workshop sessions. 2. Arthroscopic Management of Hip OA - Including Foveal Osteophyte Extension. 3. Comprehensive Demonstration Cadaver Lab. 3. Labrum Anatomy, Function, Repair, Removal, Reconstruction. Annual Scientific Meeting, ISHA 2013, Munich, Germany October 10-12, 2013
- (205) 1. The Basics: What triggers Hip Damage? 2. Hip Osteoarthritis and Arthroplasty: Arthroscopic Surgery for osteoarthritis - What can we do? Arthroscopy for the Painful hip Arthroplasty. 3. Hip Arthroscopy: re-live surgery. Case Discussions. Hip arthroscopy - Lateral decubitus. 4. Hip Arthroscopy - advanced thoughts. 5. Iliopsoas Pathology and rationale for treatment arthroscopically. Video Vignette 4, Peritrochanteric Space. 6. Rehabilitation after hip arthroscopy the surgeon perspective: to do and not do. Symposium Chairman, 2nd Israeli Hip Symposium, Tel Aviv October 14-15, 2013.
- (206) 1. Optimizing Joint Access - Panel Discussion. The

Operative and Distraction Set-Up: How I do It - Tips and Pearls. 2. What Can Be Treated and Results. Labral Reconstruction. 3. Moderator for Semi-Live Surgeries. 4. The Capsule. Cut It - Don't Repair. Harvard Medical School, Department of Continuing Education, 43rd Annual Advances In Arthroplasty Course. Hyatt Regency Hotel, Cambridge, MA. October 22-25, 2013.

(207) 1. Advances in the Treatment of Femoroacetabular Impingement. 2. Mini Fellowship hip Arthroscopy. AANA 32nd Fall Course, Las Vegas, NV. November 7-9, 2013.

(208) 1. Hip Arthroscopy: Surface Anatomy, New Portals, Patient Positioning, and Advanced Thoughts. 2. Endoscopic Treatment of Iliopsoas Pathology: Rationale for Treatment Arthroscopically. 3. Hip Arthroscopy for the 50 Year Old: Is It Ethical? 4. How Do I Start My Arthroscopy Practice? 3rd Annual Emerging Techniques in Orthopedics, Aria Hotel in Las Vegas, Nevada, December 5-7, 2013.

(209) 1. Patient positioning and room setup. 2. Patient selection and Contra-Indications. 3. Moderator. Vail Hip Symposium The Westin Riverfront Resort, Beaver Creek Mountain, March 27-29, 2014.

CURRICULUM VITAE

THOMAS G. SAMPSON, M.D.
2299 Post Street, Suite 107
SAN FRANCISCO, CA. 94115

(30)

COURSES-FACULTY: (con't)

(210) 1. Pre-operative Evaluation and Patient Selection. 2. Lateral Approach. 3. Arthroscopy for Pincer-type FAI. 4. Treatment options for Chondral lesions. 5. History of Hip Arthroscopy. 6. Hip Arthroscopy and the Degenerative Hip. Master Instructor. AANA Hip Arthroscopy Course. The Learning Center, Chicago, IL. September 5-7, 2014.

(211) Surgical Evaluation and Management of Femoroacetabular Impingement. 23rd Annual Current Issues of Magnetic Resonance Imaging in Orthopedics and Sports Medicine. Grand Hyatt, S.F., CA.

September 8, 2014.

- (212) 1.Arthroscopic Access to Chondral and Peripheral Compartments-Lateral Position. 2. Arthritis in the Young Patient: Focal Defect Management-Joint Decompression and Repair. Harvard Hip 44th Annual Advances in Arthroplasty Course, Hyatt Regency Hotel, Cambridge, MA. October 7, 2014.
- (213) 1.Revision Hip Arthroscopic Surgery. 2. The Evolution of Arthroscopic FAI Surgery. 3. Preservation and Repair of The Labro-Cartilage Junction. International Society of Hip Arthroscopy, Rio Brazil, October 9-11, 2014.
- (214) The VuMedi Webinar Maximizing Hip Care: Capturing and Demonstrating Value, October 20, 2014.
- (215) 1. Hip Cadaver Lab Focus Demonstration. 2. Instructor Hip Model Lab. AANA Fall Course, Palm Desert, Palms Springs, CA. November 7, 2014.
- (216) Hip Arthroscopy, Cadaver Workshop, Access, resection and repair.
- (217) Instructional Course Lectures: Complications in Hip arthroscopy. 1. Abdominal Compartment Syndrome and extravasation. 2. Traction Injuries. AAOS Annual Meeting, Las Vegas, NV. March 26, 2015.

CURRICULUM VITAE:

THOMAS G. SAMPSON, M.D.
2299 Post Street, Suite 107
SAN FRANCISCO, CA. 94115

(31)

COURSES-FACULTY:(con't)

- (218) Treating the Spectrum of Hip Disorders. Lectures: 1. Capsular Management. 2. Labral Reconstruction - Indications and Technique. Graft Options and Technique. 3. Chondral Repair, Indications, Rationale

and Technique. 4. Is There a Role for Hip Arthroscopy in OA of the hip. ConMed Meeting, Stanford Hospital April 18, 2015.

- (219) 1. Arthroscopic Labral Reconstruction Of The Hip. Rectus Femoris Graft. 2. Clinical Case Panel #3: Labral Reconstruction. AANA Live, Los Angeles, CA. April 23-24, 2015.
- (220) Surgical Demonstrations: Hip Arthroscopy: From Access to Repair. ISAKOS Congress, Lyon, France June 7-11, 2015
- (221) P.A.M. Hip Model Lab: 1. Orientation of Laboratory and Course Philosophy. 2. Arthroscopy for Pincer-type FAI. 3. Labral Repair/Debridement/Reconstruction. 4. Arthroscopic Revision Surgery for FAI. AANA Hip Arthroscopy Course, Chicago IL. August 7-9, 2015
- (222) 1. Decision Making in Hip Arthroscopy and The Degenerative Hip. 2. Iliopsoas: Function, Arthroscopic Release and Why to Preserve it. 3. Case Presentation and Discussion: Treatment Options for Chondral Lesions. Arthroscopic Revision Surgery FAI. The Annual Meeting of The Israeli Society for Sports Medicine and The 3rd Biennial Israeli Hip Symposium. Dan Panorama Hotel, Tel Aviv, Israel, September 29-30, 2015.
- (223) 1. Crossfire on the Capsule: How do I manage the capsule during arthroscopy and why? 2. Leading Edge Techniques in Hip Labral Repairs: From Diagnosis to Treatment. Goal: Demonstrate the Critical Steps to Recognize tear patterns, and repairing hip labral tears for Consistent Optimal Results. Fall AANA Course Grapevine Texas, November 12-14, 2015.

CURRICULUM VITAE

THOMAS G. SAMPSON, M.D.
2299 Post Street, Suite 107
SAN FRANCISCO, CA. 94115

COURSES-FACULTY:(con't)

- (224) 1. Injections are Cost Ineffective! What a Waste of Time! Just Operate! 2. Panel Discussion & Case Presentation. 3. Mini-Debate: Making The call - Core Muscle Injury or Hip Impingement. 4. Mini-Debate: Capsular Closure. Are you Kidding! I Rarely Close the Capsule - Let it Breathe!. Orthopaedic Summit 2015, Bellagio Las Vegas, December 2-5, 2015.
- (225) Hip Arthroscopy: Tales from the Crypt-Complications: 1. Traction Injuries. 2. Intra-Abdominal Extravasation. AAOS Annual Meeting, Orange County Convention Center, Orlando, Florida, March 1-5, 2016.
- (226) Hip Arthroscopy for Unusual Lesions and Conditions. Wilson Bost Inter-Urban Orthopedic Club, California Pacific Medical Center, April 1-2, 2016.
- (227) Hip Arthroscopy for the Painful Total Hip. 61st Annual LeRoy Abbott Society Scientific Program. UCSF Mission Bay, S.F. CA. May 12-13, 2016.
- (228) 1. Keynote: What I have learned in over a Decade About Femoroplasty and CAM Lesions: 2. Co-Chairman Cadaver Demonstration Workshop. 3. Host Chairman, ISHA Annual Scientific Meeting, San Francisco, CA. September 15-17, 2016.
- (229) 1. Lateral Approach. 2. Arthroscopy for Pincer-type FAI. 3. Arthroscopy for Cam-type FAI. 4. Other Treatment Option for cartilage lesions. Arthroscopic Complications & Failures. AANA Basic Principles of Hip arthroscopy: The Road from injury to Rehabilitation. The Learning Center, Chicago IL. October 21-23, 2016.
- (230) 1. Mini-Debate: Its Screw of Be Screwed - Optimizing Acetabular Fixation. 2. Arthroscopic Lesions in the Total Hip Population. 3. The Athlete's Hip. 4. Arthroscopic Treatment for Painful Total Hip. Orthopaedic Summit Evolving Techniques. Mirage Hotel, Las Vegas, December 7-10, 2016.
- (231) 1. Bilateral hip arthroscopy: Should we do it? How much arthritis is too much? Capsule: Repair or not? 2. Hip arthroscopy - Should I Incorporate It In My Practice?

Practical Practice Issues - Setting up a hip arthroscopy practice. AAOS Meeting. San Diego, CA. March 14-17, 2017.

CURRICULUM VITAE

THOMAS G. SAMPSON, M.D.
2299 Post Street, Suite 107
SAN FRANCISCO, CA. 94115

(33)

COURSES-FACULTY:(con't)

- (232) Evaluating Athletes with Hip and Groin Problems: From Symptoms to Diagnosis and Treatment: ISAKOS Congress, Shanghai, China, June 4-8, 2017.
- (232) 1.Keynote: What I have Learned in Over a Decade about Femoroplasty and Cam Lesions: 2. How Much and how long is formal physical therapy and rehabilitation necessary after hip arthroscopy? 3. Arthroscopic treatment for painful total hip. 4. Ideal labral re-tensioning to maintain a seal with the femoral head during arthroscopic labral tear. 5. Approach in hip arthroscopy -central vs. Peripheral compartment. 6. Lessons I have learned from my malpractice litigations and another one for discussion on decision making?. Hip and Shoulder Meeting, The Israelei Orthopaedic Association. Tel Aviv, Israel September 7-8, 2017.
- (233) Poster Presentation: Findings on Repaired Full-Thickness Acetabular Articular Cartilage Defects. During Hip Arthroscopy, Allowing a second Look.
1. Lecture: Pain Management After hip Preservation Surgery. 2. Lecture: Labral Management. 33 years of treating labral pathology, and why I am giving this talk? ISHA Annual Meeting, Santiago Chile. October 11-14, 2017.

ACTIVITIES:

- (1) Attending Physician University of California, San Francisco, Hip Clinic, July 1982 to 1993.
- (2) Committee Member American Academy Of Orthopaedic Surgeons, Nursing and Allied Health Education January 1991.

CURRICULUM VITAE

THOMAS G. SAMPSON, M.D.
2299 Post Street, Suite 107
SAN FRANCISCO, CA. 94115

(36)

ACTIVITIES: (con't)

- (3) Member American Academy Of Orthopedic Surgeons Committee on Multi-Media Education from 1992 to present.
- (4) Co-Team Physician, San Francisco State University From 1982 through 1991.
- (5) Team Physician for United States Freestyle Ski Team, Coverage of World Cup Freestyle Skiing, Breckenridge

- (6) Member Research Committee Arthroscopy Association Of North America 1995.
- (7) Director of Hip Arthroscopy at Post Street Surgery Center.
- (8) Staff Orthopaedic Surgeon San Francisco VA Medical Center, October 1, 2013 to present.
Colorado, January 1995.

COURSES-ATTENDED:

- (1) Synatomic Variable Fit Knee Workshop, Park City, Utah. March 14-15 1985.
- (2) "Hip Implant Surgery in a Changing Health care Environment" Minnesota, March 17-20 1985.
- (3) Orthopaedic Society Annual Scientific Program University Of California, San Francisco, May 23-24 1985.
- (4) The Maine Orthopaedic Review, at Colby College, American Medical Association, Continuing Medical Education, Accredited By Mid-Maine Medical Center, Waterville June 16-29 1985.
- (5) Total Knee and Hip Arthroplasty, Mt Zion Hospital and Medical Center, August 15-17 1985.
- (6) New Jersey LCS Knee System, DePuy Instructional Course, San Francisco, Ca. September 27-29 1985.

CURRICULUM VITAE

THOMAS G. SAMPSON, M.D.
2299 Post Street, Suite 107
SAN FRANCISCO, CA. 94115

(37)

COURSES-ATTENDED: (con't)

- (7) Concepts & Techniques of Hip Arthroplasty, Boston, Ma. May 2-3 1986.

- (8) "Newer Trends In Total Knee Replacement", by Med Tech West Inc, Mercy Hospital & Medical Center, La Jolla, California July 23, 1986.
- (9) American Academy Of Orthopedic Surgeons, Summer Institute, September 23, 1986.
- (10) Midas Rex Skills Conference, at Cathedral Hills Hotel, San Francisco, Ca. January 16-17 1987.
- (11) American Academy Of Orthopaedic Surgeons 1987 Annual Meeting, San Francisco.
- (12) American Academy Of Orthopaedic Surgeons, 1988 Annual Meeting, Atlanta Georgia.
- (13) Magnetic Imaging In Orthopaedics and Rheumatology, Shoulder Arthroscopy, Mark Hopkins Hotel San Francisco, September 24, 1988.
- (14) American Academy Of Orthopaedic Surgeons 56th Annual Meeting, Las Vegas, February 9-14 1989.
- (15) Arthroplasty, January 11, 1992, New Orleans, Louisiana.
- (16) American Academy Of Orthopaedic Surgeons, 59th Annual Meeting, Washington DC Convention Center, February 20-25, 1992.
- (17) Panel Member, MR. Musculoskeletal Imaging Symposium, General Electric Medical Systems and California Advanced Imaging, Four Seasons Clift Hotel, San Francisco, November 4, 1989.
- (18) Clinical Orthopaedics Workshop on Laser Arthroscopy, San Francisco SurgiCenter, December 1, 1989.
- (19) Arthroscopy Association Of North America Meeting La Paloma Country Club, Tucson, Arizona, November 11-14, 1990.

CURRICULUM VITAE

THOMAS G. SAMPSON, M.D.

2299 Post Street, Suite 107
SAN FRANCISCO, CA. 94115

(38)

COURSES-ATTENDED: (con't)

- (20) The Cruciate Decision Satellite Conference in Palm Springs, California, January 21, 1993.
- (21) Western Orthopaedic Association 65th Annual Meeting in San Francisco, Ca. September 22-26, 2001.
- (22) AO ASIF Bern Hip Symposium, Mammoth Lakes, California, January 22-24, 2003.
- (23) "New Techniques in Minimal Incision Arthroplasty". Sponsored by DePuy a Johnson & Johnson Company. Claremont Resort & Spa, Berkeley, Ca. February 26, 2003.
- (24) Early User Resurfacing Training Program. Las Vegas, Nevada March 9, 2007.

HOSPITAL APPOINTMENTS:

Active Staff, Orthopaedic Surgery; Saint Francis Memorial Hospital, San Francisco, California, December 1999 to Present. Active Staff, Orthopaedics at Veterans Administration Hospital, San Francisco, August 2013 to present.
